Clement says

Wonderful dialogue

This book really helps me how to reconnect to God daily. Be sensitive to God's messages and grateful for what's so. Joy never ends.

Skylar says

Highly Recommended

I would highly recommend this book to anyone looking for a way to seek more answers out of life. This is also revolutionary in the idea that we can have a relationship God (inadvertently, ourselves) without the static requirements we may find in organized religions.

Robyn Adams Young says

Quite possibly the most beautiful book I have ever read.

Neale's questions are as raw and honest and poignant as are God's answers. An Uncommon Dialogue subtitle does not even begin to address the miracle of this conversation. I promise you, this is no remix of the convoluted angry God you have had shoved down your throat for eons. Dare to meet this one and so meet yourself and discover your own goodness, no matter how undeserving you may believe yourself to be.
