I thought this book had more interactive items. Since there are few of them, I don't think it's worth buying as compared to the original "Oh the places you'll go!"

Oh,Baby Go, Baby is a wonderful spin off of Dr. Seuss' "Oh the Places You'll Go", designed for babies or toddlers. This story is of course much shorter and features interactive sensory experiences such as a fluffy tree or a swirling wheel. Fun!

Somehow this destiny was omitted from *Oh, the Places You'll Go*.
