The Bishop Witches

Ruby Knight

The Bishop Witches Ruby Knight

This book is NEW ADULT. Recommended for readers 18+. It is based in the college stage of life.

Savannah meets a guy that shows her that the world as she knows it, isn't the world she knew at all. Stephen introduces her to a world of sorcery and magic.

Savannah is a Witch.

A vengeful sorcerer takes Savannah's roommate as leverage, in an attempt to stop Savannah from accepting the power that is rightfully hers.

If she accepts her magic, her roommate dies. Will she choose to become a light witch?

If she doesn't, she will go back to living a completely normal mortal life and in the process save her roommate.

But could she live a normal life after tasting a bit of magic?

Savannah has to find a way to accept her magic and save her roommate.

With a witches kiss, is she killing her friend?

The Martin Family's sorcery line dates back to the Salem Witch Trials.

Savannah is thrown into the world of magic, bringing danger laced in persecution that has lasted decades.

This just so happens to be wrapped in a nice man candy package.

Can Savannah find a way to accept her power and save her roommate, accepting her magic in the final hour?

Savannah can't deny her fate. She will become a witch, bound by the craft.

From Reader Review The Bishop Witches for online ebook

Maria says

Knight's voice is real and relatable. Her writing is fun and drives the reader on. Can't wait to read more!

Megan Seaton says

True page turner.

Kudos to you, Ruby Knight! What an intriguing read. Knowing you personally, I thoroughly enjoyed this book because I found so much of your lovely personally in it. I'm excited for the sequel!

Ruby Knight says

I wrote this, so I think it's good- but then again I'm rather partial to it.

Carly says

It was entertaining and fun; perfect beach read.

eileen roberts says

Fun read

I really enjoyed reading this book it had twist and turns in all the right places with love on the side. I'm glad to have another family of witches to follow , and I loved there personalities crazy witches

Kathy Payne says

Easy, fun read. Could not put it down. Loved the characters, and the learning of the long ago witches. Loved Stephen Bishop too!

Kellie says

unless you are a 12 year old girl, this isn't the book for you.
good idea, poor execution, very immature -both the characters and the writing.

there is a line near the end, something about "having word vomit when mad" - I'm assuming the author was pretty p*ss*d off the entire time she was writing this book.

anne taylor says

Good fast read!!! Couldn't put it down!

I'm ready for the next in the series! For now I'll have to go to bed and dream about Stephen Bishop.

Midge Cline says

Good read

easy to follow with likeable characters and storyline. Character development was adequate but could be Improved for the antagonists.

excited to see the story follow thru with subsequent books.

Jada Ryker says

Magical New Adult Book

Savvy is a student at NYU, majoring in mythology. She and her friend Hadley, also studying mythology, have long-running debates about vampire romances.

"Everything happened in slow motion, my first thought was Hadley was dead for making me wear these shoes, and the second was that I was certain I was about to ruin our night out. Someone caught me around the waist and turned me around at the same time. It looked like he had just dipped me, like we were doing the Tango. People started clapping for us and a giggle escaped my lips.

"I looked up to see the person who saved me from one of the most embarrassing moments of my life and when we made eye contact it felt like I knew him. His green eyes seemed to have flecks of purple in them and his lips were wet and full. His face was chiseled; he had a sharp straight nose. An unexpected rapid fire built in my stomach and spread through my body. A blush accompanied the fire and spread across my chest and face. I stayed in his arms staring, telling myself I was in shock, until he stood me on my feet."

Savvy sees Stephen, her rescuer and hero, again in her history class. Stephen is the guest speaker on the Salem Witch Trials. His great-great grandmother was an accused witch.

Ruby Knight's The Bishop Witches, the first book in the Bound by the Craft series, is a wonderful new adult story. Ms. Knight puts the reader in Savvy's head, and chronicles Savvy's adventures with her fun and exciting writing style.

Tara says

The Bishop Witches is just the beginning in the story of Savannah Martin and her discovery of magic and witchcraft.

Knight does a great job of keeping the biggest twist hidden throughout the story so that the reader is surprised with the big reveal at the end.

With a voice that will make you laugh out loud, Knight shines in bringing her character's personalities to life. Although there is more to be desired in the back story and a few character developments, this will bode well for Knight as the reader will follow her through to the end of her series to see if good magic will prevail and if Savannah will truly claim her power and be bound to irresistible Stephen.

With Knight bringing magic to life in New York City, the reader will find themselves thinking maybe witches are real, after all.

Cortnie says

Very creative storyline. I read this in 2 days because it kept me excited the whole time.

Andrea Heltsley says

Another great read by author Ruby Knight!! I adore her writing and this book was really good. I'm looking forward to reading more of her writing as she pens the sequels!

Brenda Hook says

A must read

Great book. It draws you in the story. Great story line. I can hardly wait for the next book. Very enjoyable

Rebecca Zimmerman says

The book was an adequate read, though I found my interest waning throughout the middle of the book. The story seemed to be more about young adult love angst than magic. I do not plan to read the sequel.
