This is a beautiful translation, breathing a freshness into the book of Psalms, and making it a joy to read. I've taken my time over it's reading and feel all the more satisfied as a result.

Paul Goode says

Simply incredible.

Mary Lou says

The Passion Translation is a new translation that includes the Aramaic, Greek and Hebrew underpinnings of each word and phrase in the Scripture. The psalms are called Poetry on Fire, and it is an apt title. The Passion Translation uses more expressive language than the historical translations (NIV, ASV, etc.), or the NLT. It uses more imagery and analogies that provide new depth in contemplation and meditation. This language and use of imagery make it easier to hold on to the truths in the Scripture and to unpack the deeper levels in these words. There's also more focus on one's personal relationship with God and its implications. My review from the Passion Translation is from a devotional perspective for those who read the Bible to draw closer to God. From that perspective, it's a must read.

Kit Hackett says

I am so enjoying a fresh slant on the Psalms. Like uncovering a new understanding of God's Character.

Refreshing at every level. Every adjective that describes who He is a pouring water on dry ground. Thank you for allowing the Lord to inspire you.

This translation of the Psalms lives up to its subtitle -"the Passion Translation." It really brought out the heart / emotions of the various authors in the Psalms in ways many other translations don't.

I'd recommend meditating in this book.

Meaghan Hart says

Great version of Psalms, the passion and feeling behind the Psalmist is felt in this.

I received a copy of the Psalms from the Icon media Group for an independent and honest review. I was surprised. The translation is fresh and full of unique poetic language. From Psalm 73:7, "Pampered and pompous, vice oozes from their souls." this is a thought-for-thought translation, not word for word. It is a fresh look at poetry that shows unique expression.
