## **An Outlaw Wedding** Jenika Snow

Nico Landon, son of The Grizzly MC President, Jagger, has wanted Alexis Stein for as long as he can remember. But Alexis is the daughter of the hardcore Sergeant at Arms for the club, Brick. The scarred biker protects his daughter like no other could, but Nico is a patched in Grizzly member, too, and he will go up against anything and anyone to make Alexis his.

The MC is all that Alexis knows, but she wouldn't change the rough and tough lifestyle for anything. She loves Nico and has since she was a little girl, so she isn't about to let anyone stop her from being with him, even if her dad and all of the Grizzly members are overprotective.

In the end, though, Nico gets his girl, and even has his outlaw wedding filled with bikers and Harleys, because nothing stops a Grizzly from getting what he wants.

# From Reader Review An Outlaw Wedding for online ebook

## Deborah says

Fantastic.

Having been with the 'Grizzlies' every step of the way while they each found love and settled down it was wonderful to get this chance to catch up with them and their children and I'm hoping there'll be more books like this.

Jaggers son Nico aged two has decided he's going to marry Bricks daughter Alexis and gives her his favourite tow truck to 'cement the deal' the story starts when they're two and we catch up with them at different points in their lives and like their parents before them we're with them to watch their relationship grow.

Wonderful hot, sweet and romantic and I loved every minute of it.

---

## Robin says

I received this book for free in exchange for an honest review. This does not affect my opinion of the book or the content of my review.

After having read all the books in Jenika Snow's Grizzly MC series, I was beyond excited to read An Outlaw Wedding. This book follows the growing relationship between Nico, son of the Grizzly MC President Jagger, and Alexis, daughter of the Sergeant of Arms for the club, Brick. Knowing how alpha Brick is, I couldn't wait to see how he would handle his daughter falling in love, especially with a biker.

I found myself smiling throughout reading An Outlaw Wedding. I couldn't help myself because the story brought back so many sweet memories of my own dating years. While reading about Nico and Alexis finally accepting the special connection they had, I smiled. While they discussed their concerns about what would happen when Alexis' father found out? I smiled. When their friends teased them, I smiled. This story just made me feel warm and fuzzy and caused this middle-aged woman to feel like a giddy teenager.

As a parent of two boys and a girl, I completely understood Jagger and Brick's point of views about their children dating. Every time Brick went overboard in his protection of his little girl, I laughed out loud. In fact, there were just so many things to love about An Outlaw Wedding. I really enjoyed the fact that this was a story free of conflict; it's just about two people falling in love and working toward their happy ending. It was a brave choice for Ms. Snow to avoid the typical romance plot of misunderstandings that come between a couple and break them up. Sometimes love is just simple and beautiful and that is what Nico and Alexis have. Therefore I didn't feel I missed out on any drama.

Throughout reading, I kept thinking how sweet the story was. It is due to Ms. Snow's writing skills that a story about hardcore bikers could be so sweet without losing the alpha side of them. In fact, only a tough man confident in his macho side would be totally okay with softness toward his woman.

An Outlaw Wedding seemed like the complete epilogue for the Grizzly MC series. I always yearn for something like this book when I reach the end of a series that I love. I want to know where the characters are today. What about their kids? This book gave me that and so much more including a few tears during the

emotional wedding.

I don't know if An Outlaw Wedding was actually intended to be the end of this series, but if it is, I am left feeling completely satisfied. Thank you Ms. Snow for this absolutely perfect end to a wonderful series.

### **Amber says**

I loved this I was really sad when this series ended so for me this was a wonderful treat I hope that we get some more information about the MC through the spin on MC series as well I really wish this series wasn't over I mean a lot of things could still happen all the kids need there own HEA's I really want to know what happens but I am so happy the author added this book to the series it was fantastic I just loved everything about this series and I was so happy to see a couple of the kids find happiness ... :)

---

### **Fatimama says**

I wanted to give this 4 stars BUT Nico (H) knew he loved Alexis (h) since they were kids and he didn't wait! He wasn't a virgin at 16 when they finally became boyfriend-girlfriend officially. He could have kept in his pants if he was so in love with the heroine!! In one of the passages, it was alluded that he was a manwhore.. well a teenage boy who got around.. that just really turned me off from enjoying the story.

---

### **CC says**

Such a sweet story! They were destined to be together when he gave her his prized truck at age two with a promise to marry her. I loved Nico. (He is a brave, brave boy/man being with Brick's daughter!) He was so faithful. They were together since they were sixteen and you have no doubt about their commitment to each other. I loved that Alexis still followed her dreams and went to college. It was great catching up with the Grizzly MC crew and all their kids. This is a series I really loved and it was such a feel good transition story! I cannot wait to read the stories for all the kids!

Safety Gang safe

---

### **Natasha says**

After reading this whole series so far it was so good to now be reading about the children that have finally grown up from this club. They all seem like such a close knit family that all look out for one another. I loved Alexis and Nico's story. These two even at a young age had eyes for one another and I'm glad that even when Alexis went away to college Nico stayed true to her. Can't wait to see who's story is going to be next.

---

## **Sandra Crow says**

### **Quick Read**

The author crafts another well rounded picture. She brings the previous characters and the newer ones together laying the foundation for more stories. I can't wait to see what is next.

### Night Owl Review

Original Review Published here:<http://www.nightowlreviews.com/v5/Rev...>

An Outlaw Wedding is another well written book by the awesome Jenika Snow. The plot is one I enjoyed. Readers will like both the main and secondary characters. They are fascinating. The ending of the story was a bit predictable. It was interesting to see Nico and Alexis fall in love and spend time together over the years. Readers will enjoy this wonderful story.

Nico Landon is the son of The Grizzly MC President, Jagger. He has wanted Alexis since he was just a child and had dreams of marrying her when he was just a young child. Nico despite being a patched member has always wanted Alexis and is willing to wait for her as long as it takes.

Alexis is the daughter of the Sergeant of Arms for The Grizzly MC's Club, Brick. She grew up in the MC life and understands the difference between living in the life and not. Alexis grew up with Nico and fell in love with him when she was just a little girl. As she grew up, he was always there protecting her, and spending time with her.

The connection between Alexis and Nico is blistering. It apparent that there was always a connection between them even before it was anything sexual. I loved that they were able to talk and understood each other's dreams, wishes, and wants. I also loved that Nico never pressured her to have sex with him. He was willing to wait until she was ready. The sex scenes were hot.

An Outlaw Wedding is the seventh book in The Grizzly MC series by Jenika Snow. While this book is part of a series, it can be read and enjoyed as a standalone novel with ease. However there are several characters from the past books that do make an appearance.

## **Linda Sims says**

I DONT WANT THIS SERIES TO END

Loved this story featuring the next generation of Grizzlies. Nico the son of Jagger the club president and Alexis the daughter of Brick the sergeant at arms, have always been close. As they grow up that bond between them strengthens. This story was a real treat and I really hope that the author is considering writing other stories about some of the other Grizzlies children. This was a very romantic and of course hot read. I liked how there was chapters at the different stages of Nico and Alexis lives. It was nice to read about all the original characters and how their lives had panned out. A really good read.

---

### **Kate says**

**DNF**

Love this kind of romance.

---

### **Shaly says**

Quick, fast paced read about the offspring of the President and the Sergeant at Arms of the Grizzlies MC, which I thought was cute since once the main couples begin having children the series are all but done and then we never get to find out what happens with the kids, so this was a nice change.

A bit predictable since the kids follow in their parents footsteps, except one of them who chooses not to be a part of the MC life and goes to medical school instead so that was a nice change as well.

Overall, not a bad read just not an exciting one since the author sets up the two kids since they were children so you see all of this coming anyway...

---

### **Hailey says**

4 wonderful smutty stars. This is without a doubt the best of the Grizzly MC books I've read so far.

---

### **Not Another Damn Blog says**

Okay there's not much more I can say about Jenika Snow at this point. You know I love her. You know I love her books. This book in particular and I loved because I'm a crazy addict to the Grizzly MC series and this one got all my favorites together and let me enjoy them while getting to know new characters. Of all the Grizzly's Brick has always been my favorite. There is just something about a dark, broody, scarred hero with a heart so big he loves his woman completely. So, this book was a special treat for me because the heroine was Brick's little girl.

I don't go into detail because I don't want to be a spoiler. What I will say is that if you have read the Grizzly's YOU MUST read this book. If you haven't read the Grizzly's then my first question is WHY THE HECK

NOT????

Give it a try, you won't be sorry.

---

### **Sheridan says**

Couldn't wait to get home to read this. I LOVE THE GRIZZLY SERIES! And to read about their kids growing up and growing into their own...amaze balls.

Thank you Jenika Snow

### **♥? Paulette says**

Short & Sweet Love Story

I absolutely loved Alexis and Nico's story.

Quick, fast paced read about the offspring of the President and the Sergeant at Arms of the Grizzlies MC.....

It was very refreshing to read a book that had a happy ending without all the unnecessary drama... Loved Nico and Alexis characters and the development of their friendship, love and passion thru-out the book.

Loved this story featuring the next generation of Grizzlies. Nico the son of Jagger the club president and Alexis the daughter of Brick the sergeant at arms, have always been close. As they grow up that bond between them strengthens.
