Bad Boys Love Good Girls: The Return of the Outlaw Porscha Sterling

Can the right woman really make a bad boy change?

Janelle and Outlaw's love story was birthed through struggles that neither one of them ever saw coming but just when they thought they'd reached their happily ever after, their picture-perfect love story comes crumbling down.

Janelle's dreams are all set to come true when she gets the chance to become the District Attorney of New York City. The only thing making her have second thoughts is the fact that she's married to the city's ultimate bad boy, Luke 'Outlaw' Murray. With no one around who understands her ambitious goals, she finds a friend in a woman who truly only wants to bring her down. The saying 'keep your friends close and your enemies closer' always rings true but once Janelle finally realizes that her enemy is right in front of her, will it be too late?

Luke 'Outlaw' Murray is the bad boy who no one ever imagined could be tamed. Now that he's a family man, his reckless lifestyle has changed, but the savage in him is very much alive. With Janelle focused on her own dreams, he turns his attention back to running the streets... only to meet someone he would have never expected: Chloe Harvarty, the sister of Chris Harvarty, a man whose life he ended in order to protect the woman he loved. His guilt plagues him when he sees the way that his actions have utterly devastated her life and, against his better nature, he's caught up—feeling obligated to help a woman he begins to feel responsible for. When a simple friendship begins to cross the line over into a lane that he knows he shouldn't explore, will Outlaw stand strong or will he turn back into his old self and fall back into his womanizing ways?

Wow! You Did That Again!!!!

As always I enjoy reading the stories you create Porscha Sterling! I am proud of Nelle for not allowing her vulnerability to fully take over when it came to Bone. I feel like Bone is a cool dude and he clearly seen that she was going through something so he was gonna talk sweet until she'd eventually bite. Now Outlaw... he was truly annoying me he allowed temptation to cloud his judgement. I'm glad Nelle went in on him and I hope she continues to hold her own, and make him feel her pain for his disloyalty. I'm not talking payback as far as cheating because two wrongs don't make it right but she can make him suffer. Chole ugh she just needs to be a lost because I don't respect nor like her, and the same for Gina wack ass. Although, Gina need that work put to her first and then the cord should be cut with her too. I can't wait for the final series !!!! Happy Writing!!

Awesome!!

I don't even know where to start with this book I feel some type away about Chloe and I think that Gina has not learned her lesson at all. You would think after all this time Gina knows Outlaw I don't know why she's playing those type of games but we shall see. I'm disappointed In app and outlaws actions I understand the feelings he has about Chloe, but at the same time he's always been being loyalty. I don't know what's going on with him, but I hope he gets it together very soon before he loses his family. I don't think Janelle is going to take no crap from him. And Bones I don't know what's up with him I just don't feel him I think he has a hidden agenda. I can't wait to see the outcome on the next book there's so many things going on I'm just like somethings not right somebody is not right. This was a good read this author always brings her A game.

Well alrighty then. That read was interesting, I'm so ready to get this other side of Nell because everybody think she's weak and I'm ready for her to show everybody that weak she is NOT. Outlaw really surprised me with his actions. Like what was said, he did everything back then to save the people he love so that shouldn't make him feel guilty. I want to know how the Arabs found out about the hit. I love Bone so all I can say is Outlaw better watch out. I don't care for Chole because I feel something with her ain't right. Mannnnnn I can wait til Gina get handled because she just disgust me. We were never told if Kane died or not but this is another reason I'm looking forward to part 2

Disbelief

I'm in complete shock right now I don't know how to feel about the way this book ended I am looking forward to the finale. I am very very very disappointed in Luke's actions as well as Janelle's actions regarding their marriage neither one of them put the effort in to discuss what was wrong with their marriage instead of just going through the motions leaving both of them feeling neglected and seeking outside attention from other people. I like bone but I feel like he has a different agenda for Janelle as he mentioned her becoming a judge in addition to Chloe I don't think she can be trusted and I believe she will be Outlaws downfall Gina needs to be dealt with but I think it will be at the hands of Outlaw not Janelle or maybe even her husband as he is currently the mayor. Can't wait for the next booklove you Porscha

Wt.....????

Well yes! I missed me some Outlaw... yes I do... but mannn, he had me cussing up a storm. I understood his point but at the same time..whose selfish? I scared for a moment for Janelle at the hands of this wicked ..itch Gina, but at least she learned a little tiny something messing with Outlaw. Can't wait for Gina's downfall...make it hard! I like Bone..he is such a smooth talker but something is up with him. Chloe.... although she seemed nice and at a time I was feeling sorry for her, but after what she did.. she cud kick rocks...smiling, flirting, skinning and grinning...and a damn snake... she just makes me sick. Outlaw really showed me in this part that he may not be all of a savage as he really believes he is. Disappointing ?. A must read! Part two ASAP!

Wow

I can't wait to see Janelle bring her hangars out. She needs to listen to her sister and never trust someone woman who shared the same man. She was a bit gullible and I hope she snaps out of it and see Gina for who she is. Outlaw knows the game so I can't believe that he had some kind of remorse for Chloe, I mean this is what he does for a living. I hope the love he had for his wife will keep him from making a dumb decision. Gina needs to get dealt with and fast she is a conniving heifer. Bone is a man and he lives beautiful women and he is smooth with it but I think he should stay away from Janelle even if he thinks she fine. He knows Outlaw and he knows that Janelle is his woman. I can't wait to read the next book.

Mannnnnnn!!!!

Mannnnnn.! I stayed up allllll night trying to finish this book. I just say Ms. Porscha is GOOD with her pen game. Now I'll be on Amazon like an addict waiting ok the next one to drop. Luke!!!! I'm so disappointed. I pray all is well with the boys and won't say too much. I love Bone and the person he is, maybe him and Janelle should have a little going to wake Outlaw up ?. I don't trust Chloe and what happened with Tank and Janelle's sister?" Don't care one way or the other about Gina. Guess I'll have to wait for the next one. Hope the wait isn't too long. This series is FIRE ?

Great read!

I am battling with my emotions after reading this book ...especially the excerpts from book 2 I had so much faith in Luke omg I told myself they would wake up and see the light before anybody did anything stupid. My heart hurt for Janelle I see myself in her. But I do not like Gina at all but karma is a bad thing and it will turn on you! Bone is a man that happen to be in the right place a the right time for Janelle but I think I don't like it. I don't know how I feel about Chloe she knew he was married rather troubled or not leave married people alone I can't wait for book 2 I'm so hurt!

Kitani says

Janelle is still being too trusting and I can't believe she doesn't see how Gina is truly playing her. I am curious to know why the mayor seeked Janelle for the position though. Outlaw was tripping hard and he needs to be as understanding as Bone is in everything. Getting caught up with Chloe will only cause even more problems then she already has. Chloe has no idea the ties Luke has to Janelle and I can't wait for her to find out. Hopefully Kane is helped in time and Janelle and Outlaw don't allow their disagreement to cause things to end.

Marissa says

Outlaw

The intriguing storyline continues with character development that helps you to either hate or love, and sometimes feel both emotions for these characters. Can't wait to see Janelle's character totally unfold. Even quiet and intelligent women have a breaking point, and yep we've love the bad boys. Disappointed in Outlaw but kind of expected it. I hope Gina gets it served cold and hard in the next book. I enjoyed and recommend this five star read. I look forward to reading more from this author.

Awesome read

I love this book can't wait until part two comes out and I'm upset because of outlaws betrayal and I hope they get it together in dis second installment of the series.i enjoyed the book. Nelle will have her come back and Gina and chole nope cants stand neither one of them. Gina is just a jealous ass female that wants what she can't have and I hope she gets what's coming to her.chole is was just dumb for fallin for a married man and she know she can't have him fully. And I hope Kane is okay and he didn't die it would be such a tragic if he did. Over this book was awesome

Rena says

Love me some Janelle and Luke

Honestly, for the first time ever, I really didn't want to read the book because I didn't want to know the outcome of this story. But, I had to read it regardless. This is one of my favorite couples, and to see Janelle and Luke have problems that could tear them apart are away at me. However, this is where we get to see growth and development. I enjoyed Bone, Chloe is okay, but Gina can kick rocks with her big toe. I hope that Janelle check and kick her ace really good in book two. Luke plays a dangerous game, leading him down a path that could be hard to come back from. Reading chapter one of the finale, I don't know how much my heart will be able to take as I read the next phase into their lives. But, I will be reading their story because I love me some Janelle and Luke.

This one takes the Cake!!

So where do start..whew! I love how Janelle bosses up a little and take charge of her own life. I'm glad that she stood up to her husband, men have a way of not understanding us. What's going on with Kane and his family? I pray things turn out okay. I knew there was something fishy about Chloe, I wonder what happens now. I can't believe Outlaw fell for the okey doke, shame on him. I like bone, he's interesting, I hope I get to see more from him. And Gina, I don't like that bitch! She's mad on her own account, but Janelle is a smart woman. I absolutely loved this book, it was too good lol. I can't wait for part 2. I hope Outlaw smartens up!

Dionna Malone says

Heart Throbbing

Of course when things seem to be going well here comes drama, deceit, lies and temptations to attempt to distract and destroy! Outlaw has this bad boy persona that every good girl Nell included wants. Can't understand why women can't just leave a married man be like ok even if he leaves his wife what do she really gain but a cheating man that will probably do the same to her! Ughhh get your own man and leave

Nell's alone! Bone out here a whole single man that's definitely a hoe with a lot kids and baby mommas go chase him Gina and Chloe with your miserable thirsty selves! I'm ready for part 2!
