Caroline's Child: A Bestselling Western Romance Debbie Macomber

Return again and again to Promise, Texas, in the third book in this classic romance series by #1 *New York Times* bestselling author Debbie Macomber.

Who's the father of Caroline's child? Everyone in Promise wants to know, but no one's ever asked? or ever will. Little Maggie is five now, and Caroline Daniels has kept her silence all these years. It doesn't change how the people in this Texas Hill Country community feel about Caroline. They're protective of her and Maggie; they care. Especially rancher Grady Weston, who's beginning to realize he cares even more than most...

Linda Borton says

Easy to read romance

I enjoyed reading this book . It was an easy read. It is also a nice love story. I do wish the Richard and was tied up!

Kristin says

ok

Leticia Vega says

I just had to tune in to the next episode of this book series. All the characters and their stories have been engaging. It's always nice to see another one of them find their HEA.

Kathleen ShortRidge says

One of the things I love about Debbie's books is that she is not a huge sex writer. She like to write stories that are funny, heart warming, and full of wonderful places and people. This is the 3rd book in her series of Heart of Texas and I am so going to continue to read more and go back again and again.

Mary Baker says

This book is part of a series. I didn't like it as much as I have liked other books by Debbie Macomber.

Roz Curney-Sherod says

I'm actually rating this book 3 1/2 Stars. In the beginning of reading this book, I thought, Oh No not another bratty kid keeping the hero and heroine from HEA. So I hesitated in reading this e-book, kind of moved slow while introducing the characters and their backgrounds. It started getting really interesting when Grady's brother showed up at the ranch. A little drama and suspense. Wish I could have found out what happened to the secondary characters because their stories were just as interesting and what happened to Richard? Seems the story is incomplete, possibly a series.

Linda Walters says

What a great little town, Promise and with really interesting people in the community.

The two main characters were the best kind of people; everyday people who have been members of this town for many years.

Caroline has had her eye on Grady Weston for some time now. She is the postmaster of their town although she seems to have a more liberal title of Postmistress. Her daughter Maggie doesn't like Grady. His big booming voice and loud personality scares her. She likes his brother, Richard so much better. But that is only one fly in the ointment. For every step forward that the two main characters make, something happens and then they are several steps back. Actually it's more accurate to say that they are back to the starting line.

But there are plenty of family issues going on for Grady and he is such an honorable man. He has had to take hit after hit especially when it comes to his brother Richard. At least his tenderhearted sister Savannah is a different kind of person.

It was interesting to see other romances and their difficulties going on for some of the other people in the story. It wasn't overwhelming though, it was blended nicely. One of those people struggling is a very nice person Dovey Boyd and it had to do with her "relationship" with Sheriff Frank Hennessey. Dr. Jane Dickinson and her struggles to become part of her new community is also a part of this story. And will continue in another book, "Dr. Texas" unless you are able to get a hold of the Heart of Texas volume 2 book which has both.

I enjoyed my "time" in Promise and found it an endearing story.

Lynne Harrison says

Can we just shoot Richard? Or put him in jail forever?

Debbie says

Raising her five year old daughter Maggie by herself, Caroline Daniels worked as the post mistress. Now that her best friend Savannah was happily married, it was only a matter of time before her and her other now engaged friend Ellie, decided that everybody needed to be matched up. Taking his sisters suggestion, Grady Weston tried to get along with Caroline and lucky for him Caroline seemed to be one of the few people immune to his brother Richard's charms. For everything he did for Caroline and Maggie he couldn't seem to win over the five year old.

Book 3 And on the set ups go, don't even finish all of one romance when you can already guess what will happen in the next. Little more of the suspense and adventure but it is a gentle story, nice and almost boring. Richards miss deeds mount and finally the father of Maggie is revealed. No shocker there. Still consider this to be a quick, light read with some good characters. I read a little out of order, the next one is "Dr. Texas" and then "Nell's Cowboy".

Barb says

Who's the father of Caroline Daniels's child? Everyone in town wants to know, but no one's ever asked--or ever will. The people of Promise are protective of Caroline and five-year-old Maggie. They care. Especially rancher Grady Weston, who's beginning to realize he more than cares....

Another great story from Macomber. She spins a tale that twists and turns in every direction. Each one i read, i like better than the first. 5 stars.

Crystal says

Awesome read! In Caroline's Child, book three of the heart of Texas series, Macomber does not disappoint. We return to Promise, Texas with the Weston family and all their friends. This volume focuses on the relationship between Grady Weston and postmistress Caroline Daniels. As the relationship deepens, the issue of Maggie's paternity becomes an issue as Caroline and Grady grapple with their emotions.

Meanwhile, Grady's brother Richard feels the heat of his past coming to rest on him. Will he escape before it is too late? At what cost?

And what about the bachelors in Promise? Will pastor Wade. Cal Patterson and the sheriff ever find a wife to call their own? keep reading in this wonderful heartwarming series.

Kit Donner says

Reissued "classic"

I enjoyed the story the first time I read it, over ten years ago. I enjoyed reading it again. But reissued books should be clearly identified as reissued books. That is a fault of the publisher, not the author and probably not Amazon, so I am not taking off any stars. Just warning other potential readers that this publisher is greedy and irresponsible. Buy or borrow this book elsewhere.

Amanda Sheila says

Wow, I liked this one.

Awkward and didn't know what to do, Grady asked Caroline for a date. She was always loved her and vice versa, but it's like everything went wrong every time they go out together. And Caroline's daughter, Maggie, seems to liked Richard, Grady's younger brother, more. Grady wants to marry Caroline but she's afraid that the truth about Maggie's biological father will tear every thing apart..

I jumped to the 3rd book first because I'm in awe of Grady. His gruffness hooked me and I want to see his action with five-year-old Maggie. So adorable!

Again, Richard, is making me angry. I hope he gets what he deserved. I hate him. Too bad Maggie didn't told

Grady nor Caroline what Richard did to her. Good God!

Can't wait to read another series! Whooooop!

Michelle Molinari says

Much like the other books this one centers around another match made in Promise, TX. The stories are the same formula but it's always fun to read how they end up together. Don't expect a twist ending or a nail-bitter. Just enjoy Macomber's narrative & storytelling talents and settle in for a good love story. In this book we learn who Maggie's dad is, which I did start to suspect in the second book but it was nice to see it confirmed and see how Macomber explains the mystery. I just love all these characters and I'm glad there's more stories in this series.

Lorraine says

Easy read

Enjoyable simple read. A typical boy gets girl and you will figure out the twist eArly on in the story.
