Feels Like Home Brooke Harris

It's not about winning. It's about how you play the game.

Eva finally has answers. But, she's slowly discovering she asked the wrong questions. She's done being a people pleaser, and now she's going after what she wants. She wants Julian.

Julian has always enjoyed a challenge. But some challenges are too big, even for him. He's about to face the hardest decision of his life. Keeping secrets is the only way he knows how to protect Eva. But she's not making it easy anymore and he's running out of time.

Round three.

Maybe Julian and Eva have been playing on the same team all along!

Wow!!!!

I absolutely love Brooke Harris. This series really is crazy, captivating, keeps you on the edge of your seat and I mean literally biting your nails off. Best series ever and a MUST read let the games begin Mr Harte. Yummy....

Tracy Antonelli Manderson says

Will have a review up under Summers book Blog....

Karen Geurts says

Games can be interesting

I really liked this series. Eva and Julian are two opposites that has a very intense connection. I like the strong characters and the story line. They both deserved the happy ever after.

The Game Continues

My heart was racing. The ending put my heart in my throat. You kept me on the edge throughout the whole book. Just as I thought I had a grip on, another twist. The way you led us into the epilogue, my heart was being skittish, and for a moment I thought he didn't make it through his transplant, but again, you made the game real and gave us a HEA. Thank you.... maybe a holiday novella would be lovely, along with the new

series. Great story, loved it from Book 1. Loved watching Julian and Eva grow. Thanks

End game

This was a amazing read , I loved all three books in this series.
I will definitely read more book from this author

Nicola says

I've loved these books from the off and wasn't disappointed with the ending. It was another roller coaster of emotions til the end which I loved. Brooke, you did it again and I thank you! Anyone who hasn't read this trilogy do it now, you won't be sorry! Five fab stars again

Candee Love says

Loved it this last book was very good! Game over!!

Mandy Hipkin says

I've loved all of this series and needless to say this book did not disappoint. thoroughly recommend to anyone who loves a good hot romance

Malena says

Finally the book is done!!!! I thought overall was a bit disappointing and frustrating but overall the book ended a bit better than I expected.

Alexandria Williams says

Great ending to a wonderful series

Julian is stubborn as ever but Eva doesn't give up. In the first book she wasn't as strong as she is now. She has came a long way. I am really gonna miss this series. They grew together as people and a couple.

Nicole German says**Wow... just wow!**

What a whirlwind of a series! So many ups and downs and back and forth. I thought I was watching a tennis match. Lol! It was really, really a great story. I even teared up a few times. Before I forget, it was chock full of sexy times. I gave it four because Julian's games, stubbornness and double talk drive me nuts. I wanted to throttle him a few times. I loved the story, characters, and the ending. Bravo!

Gerry Hvozdovich says

I absolutely loved this trilogy even though I wanted to smack Eva and Julian upside the head a few times. I can't wait for the next book!!!

Debra Monette says

Good story, great ending to the series! Hot, erotic, suspenseful, made me cry, which is hard to do.
