**Rivers of London: Body Work, #3** Ben Aaronovitch , Andrew Cartmel , Lee Sullivan (Illustrator) , Lee Guerrero (Illustrator)

An all-new Rivers of London original comic series, written by Ben Aaronovitch and Andrew Cartmel!

The members – all two of them – of London’s most secret police force are on the trail of a self-driving killer car. But it takes something weird to catch something weird and soon they are behind the wheel of... The Most Haunted Car in England!

Written by Doctor Who writer Ben Aaronovitch (Remembrance of the Daleks) and set in the world of his own bestselling novels, with Doctor Who showrunner Andrew Cartmel.

Rivers of London – Body Work is written in continuity with the novels – not an adaptation – this is an all-new story set between books four and five.

## **From Reader Review Rivers of London: Body Work, #3 for online ebook**

### **Paul says**

Story is still interesting and a nice little history of the Folly thrown in

---

### **Kelly says**

Fun, fun, fun! Engaging, even though I'm accidentally starting partway through the series. Easy to follow and worth the read.

---

### **Lynne Cosmano says**

graphic novels are too short...prefer the regular Rivers of London paperbacks

---

### **John says**

I've read a couple of the Rivers of London novels, but this was my first of the graphic novels. The story is interesting, and moves along quicker than in the novels. The art work is lovely, and it's great to put some faces to the names. Somehow I started at #3 despite my best intentions. I will have to get the others as well.

---

### **Orient says**

A killer car is what I needed today :D

---

### **Amy Muzaffar says**

I'm not really sure how I got this graphic novel, but I thought I'd give it a try. It was pretty fun, but I'm just not a big graphic novel fan.

---

### **Chris says**

Good entry in the series. Love the cast and how everyone works together.

---

**Carl says**

How can you not like a book about possessed cars!  
Great fun!

---

**Donna says**

Great story and graphics . One of my all time favorite series

---

**Whitney says**

Review to come!

---

**Jenn "JR" says**

See my review for Body Work #1

---

**Andy Hickman says**

RIVERS OF LONDON: BODY WORK  
Intriguing and original.

#3

Strangely, people aren't always best pleased to see the police. Especially if they have something to hide. You get to know the look.

---

**Wilde Sky says**

Police officers investigate paranormal crimes.

This book had reasonable artwork and storyline - but nothing special.

Overall rating 2.5

---

## **Siobhan says**

The following is a review for the entirety of Body Works, one through five, as I read the combined edition rather than the individual chapters...

I'm a big fan of the Peter Grant series, and yet I've avoided the graphic novels for one reason: I'm not a fan of graphic novels. I've tried to get into them a few times, yet I find it extremely difficult. I can understand the appeal, I can see why there are so many graphic novel fans out there, but I doubt I will ever be one. Nevertheless, my curiosity about the Peter Grant graphic novels remained. Thus, I decided it was time to borrow Body Work from the library.

With this one, it's very much a case of "it's not you, it's me". As I've stated, I'm not a graphic novel fan. Although this was a nice addition to the Peter Grant storyline, it didn't do much for me. There was no point where my feelings reached the high they do when I am reading one of the novels. It was okay, but it was not enough to blow my mind – making it a rounded down two-point-five-star rating.

If you do enjoy graphic novels and you're a fan of the Peter Grant stories, then you should certainly give the graphic novels a read – it is a nice extra for fans, but it is not something I will be reading more of.
