The Midnight Dog of the Repo Man

W. Bruce Cameron

The Midnight Dog of the Repo Man W. Bruce Cameron

This short story introduces former college football star turned repo man Ruddy McCann, star of W. Bruce Cameron's new novel *The Midnight Plan of the Repo Man*, and tells how Ruddy met his best friend Jake, a lazy but lovable basset hound, during a repo gone wrong.

Full of laugh-out-loud humor and thrilling adventure, *The Midnight Dog of the Repo Man* is a page-turning, delightful short story by the author of the *New York Times* and *USA Today* bestselling *A Dog's Purpose*, *A Dog's Journey*, and *The Dogs of Christmas* that shows us that unconditional love is just a tail wag away and can happen upon us when we least expect it.

At the publisher's request, this title is being sold without Digital Rights Management software (DRM) applied.

Traci Haley says

I didn't realize this was a short story when I started it, but I found it charming and it was enough to make me want to read the rest of the series!

Gloria Johnson says

This is a prequel to The Midnight Plan of the Repo Man and is a short story. I read it because I loved the novel and wanted to hear more about the fascinating characters. I enjoyed hearing the story of how Jake became Ruddy's dog - if there was a complaint about this book, it would be that it was way too short. I would love to see more books about the repo man!

Tracy Morton says

I'm not much for short stories but I liked this one. It is the story of how Ruddy got Jake. I was hoping Jake would be in the book more.

Stephanie says

I didn't realize this was a prequel, or that it was so short... that said, it was still pretty fun, and actually the perfect length to get me to my meeting and back. So now I need to go find the sequel.

Tina says

I have loved all of W. Bruce Cameron's novels and especially A Dog's Purpose. I get a tear in my eye just thinking about that one. So, I'm pretty elated every time he releases something new. His latest, The Midnight Dog of the Repo Man, is a really short story and was not to the level I expect from Mr Cameron. It's likable enough, but it was over before it started getting good. There is not enough story to engage in. Ah, well, I'm still a fan, but I'm sadly disappointed in this book.

Final Rating: 2.5 stars.

Nicole says

I really loved, Midnight Plan of the Repo Man. I wanted to read whatever there was that had to do with the

characters. Found this short story and loved it. This is a story about how he gets his dog. Fun story.

Brenda says

I have read most of Bruce Cameron's books and have enjoyed many. This book is a prequel to his other repo books. Although I liked them I felt that this one just didn't live up to Bruce Cameron's standards. The first couple of pages were funny but it ended too early before anything interesting happened. Also, the characters are unbelievably dumb to the point of being ridiculous. The events were only repeats of what happened in the other ones. I feel bad rating one of Bruce Cameron's books 2 stars but throughout it gives the impression that is was written in a hurry just to satiate his fans.

Tammy Flanders says

Fabulous narrator.

Marlene says

A thoroughly enjoyable read! Looking forward to the next book in the series.

Vicki says

Cute story on how Jake arrived into Ruddy's life.

Jennifer says

A super short prequel to the series. There are some funny parts but generally Ruddy doesn't sound very intelligent or likable.

Megan (ReadingRover) says

What a fabulous story to listen to! I can't wait to get into this series. It was really funny to the point where I found myself actually laughing out loud. Also the description of the basset hound, how he acts and what he's supposedly thinking are spot on. That made it so much better. Great story!

Kim Scripture says

Cute little short prequel.

Stacie says

Engaging short story about a man and his dog.

Julie Censke says

Cute!
