The Worst of All Possible Worlds Alex White

The greatest dangers hide the brightest treasures in this bold, planet-hopping science fiction adventure series.

The crew of the legendary Capricious may have gone legitimate, but they're still on the run.

With devastatingly powerful enemies in pursuit and family and friends under attack planetside, Nilah and Boots struggle to piece together rumors of an ancient technology that could lead to victory.

Ensnared by the legend of Origin, humanity's birthplace, and a long-dead form of magic, the Capricious takes off on a journey to find the first colony ship...and magic that could bring down gods.
