Yuletide Cowboy

Debra Clopton

Yuletide Cowboy Debra Clopton

After three years in Mule Hollow's women's shelter, single mother Lynn Perry is finally spending the holidays in her own house. And then the town's matchmakers send over a hunky cowboy to hang Christmas lights...Lynn hopes there's no mistletoe around. With her painful past, how can she trust another man? Especially former bull rider and current pastor Chance Turner, who isn't planning on sticking around—or ever preaching again. Unless Lynn, twin boys and the matchmakers help her yuletide cowboy see he's the answer to a family's—and a town's—Christmas prayers.

Gail says

I love reading Debra Clopton's Mule Hollow series of books and the Men of Mule Hollow series. It is too bad that the books are so spaced out. I think I might have missed a couple of them. Can't wait to see what happens in this book.

I loved this book. Glad to see that Chance and Lynn could learn to trust again and I loved her twin boys. They were pretty funny.

Dixie-Lee Campbell says

Amazing Christmas romance novel in small town Texas . Real life challenges involving Christian faith, healing, honesty, kindness, love, and character strength to help one get through the decisions when unsure of the answers. About being independent and belonging to family and within small town community. Enjoyed the humour and serious matters in the wonderful love story.

Awesome book. Would like to get books #1 and #2 of this series.

Karen says

Chance Turner, rodeo pastor, meets Lynn Perry and her twin sons while delivering Christmas lights. Lynn moved to Mule Hollow after leaving her abusive husband. Chance returns home to Mule Hollow after losing a bull rider in the pen. Can Lynn learn to trust a man, can Chance trust himself as a preacher?

Julynn says

Chancer Turner has come home to Mule Hollow to heal from the devastating shock of one of the rodeo riders that he was ministering to. He thinks he will find solitude in the land he loves but God has other plans. Lynn Perry and her adorable 4 year old twin boys need help and Chance is just the man to do it! With his pastor's heart, he just can't ignore the sweet but wary Lynn nor her enamored boys. Through his kindness, consistency and thoughtfulness, her heart is won over and they are able to have their happily ever after....well done Ms. Clopton for a fun series!

KimberlyDawn says

Sweet Talk Me, Cowboy is the fourth book in the Turner Creek Ranch series. After losing a bull rider on the circuit, Chance is questioning his ability to continue working as the circuit's pastor. Lynn was able to get a

rental for her and the twins' she's ready for a new start and to be out of the shelter. Starting over doesn't include having any men in her life. So when Chance starts helping her, she fights her feelings. She may just find a couple of little helpers to convince her to take a chance on love again. This was another great story in this series. I highly recommend this book.

Laura R says

Such a delightful story. It was fun seeing the blossoming love between Lynn and Chance. And who can resist her twin sons Gavin and Jack? The subject matter of domestic abuse was handled very thoughtfully. It's always fun to return to the Mule Hollow community. So many laughs in this book and much to think about. Highly recommend reading it.

Peggy Clayton says

This was a really good book. I love that Debra writes clean romances and they are always so good. Debra hit a grand slam with this book!

Dani Moore says

Chance is a "Cowboy Preacher" who can't forgive himself after the death of a bull rider he had hoped to bring to the Lord. Lynn was an abused mom with two young boys who vowed never to risk loving again because her judgement in men is so bad. Will Chance go back to preaching? Will Lynn give Chance a chance? (sorry, I couldn't resist) Mule hollow is a great little town. You should visit in this fun book. A bit predictable, but still a fun quick read.

Another Thyme says

I really found the hero of this book to be an egotistical man. Feeling guilt because he couldn't "save" someone before they died is too unrealistic. And as for the dog "Tiny" being a giant, we have owned and known a lot of Catahoula Leopard dogs and they aren't a big breed. I gave up on this story before Ch 4.

Justme says

Third in 'Men of Mule Hollow' series

Harlequin Books says

Miniseries: Men of Mule Hollow

"A delightful story about a woman, Lynn Perry and her four-year-old twin boys starting fresh from an abusive relationship and a ex-bull rider/rodeo preacher, Chance Turner. Both have a past that they are trying to put behind them and maybe they can help each other. But watch out for the town's matchmakers even his own cousins...." from a review posted by an eHarlequin.com member, to read more go [here](#).

Jill says

#3 in Men of Mule Hollow Chance is a Rodeo Preacher who is having a problem with his faith when a bull rider is killed. Lynn has just moved out of a Women's Shelter with her 4 year old twin boys. Can she learn to trust again? The Matchmakers of Mule Hollow hope so.

Judy says

I just love to visit Mule Hollow.

This book continues with the crazy town. Chance Turner is staying in the Stagehouse on their families property. He travels as a Rodeo Preacher but after the death of one of the bull riders he questions his abilities.

Lynn Perry has her two 4 almost 5 year olds to raise and has recently moved from No Place Like Home to her own rental house. She had escaped from a abusive and unfaithful husband years before and is determined to be independent and keep her heart guarded.

Chance and Lynn meet and he is not getting the solitary time he came home for and Lynn is having her armor beat on around her heart as she see's a loving caring man. Gavin and Jack, her twins, have taken to Chance like no other man they met but Lynn still refuses to trust her judgement in that area ever again.

Lacy has her baby in this book as well.

Another great addition to the Mule Hollow Series.

Vicki says

This was a nice Christmas read.

Chance Turner is a rodeo preacher who's faith is shaken when a young bull rider dies unsaved.

Lynn Perry is a survivor of an abusive situation along with her twin boys, Jack and Gavin.

They are trying to move on and grow stronger but eventually they are drawn together and the struggles could bring them closer or end everything before it get's started.

I love stories set a Christmas time for the magic and Happily Ever Afters.
