**Ask Your Angels** Alma Daniel , Timothy Wyllie , Andrew Ramer

Angels have been with us in every time and culture, and in many religious traditions.

*Ask Your Angels* vividly chronicles how they are currently reaching out to every one of us in a totally new way, bridging our physical reality with their pure spiritual energy.

The authors show us how we can draw on the power of angels to reconnect with our lost inner selves and to achieve our goals, whether they be better relationships, healing an illness, or recovery from addiction.

### **Caroline Shearer says**

I would describe this as a primer on all things angel.

---

### **Rena Sherwood says**

Hi. My name is Rena. I used to believe in angels. I even collected angel books like this one. (Shudder.) This book was written to cater to the angel fad that swept America about 1990. It has some nice artwork in it. Otherwise, it's crap.

### **Sarah Byrne says**

A good book for anyone who believes. A good book to start off with too by guiding you through how to communicate with your Angels for the first time.

---

### **Julene says**

Yes, I've read this book too by my friend Andrew. He is one of my spiritual teachers. It still sits on my shelf, but it is not as referenced or reread as his other books.

### **Blakely says**

I found the meditations in this book fantastic. I read this when I was around 15 and I loved it. It teaches you so many ways to open and clear your mind. It has also has some very interesting stories about how Angels come into and touch our lives.

### **Tania Angel says**

beautiful book.

---

**Ella Roberts says**

I love this book, I love this book so much because it opened me up to these wonderful Beings and began what I know will be a life long fascination with Angels and everything Angel related! I read this book simultaneously to the "Conversations with God" series right at the beginning of my spiritual journey, so it contributed to solidifying my connection to my spirituality. I totally love Angels.

**Christia says**

Great book to get started working with the Angels!!

---

**Patricia says**

Hmmm. I don't know. Angels are all throughout the Bible so why not here and why now now Just not sure about this.
