## Bad to the Bone Katy Munger

Taking It To The Mat...Don't mess with North Carolina's Casey Jones-smart-mouthing ex-con, unlicensed P.I. and reluctant partner to a Barry White wannabe. Casey's big and bad, with attitude to match her altitude. Especially when she's been double-crossed.

At first, Casey proves a sucker for the fragile blond who claims her estranged husband has disappeared with their child. But when Casey locates the fugitive spouse a little too easily, she begins to suspect that the lovely Tawny Bledsoe has played her for a fool. Especially when Casey gets stiffed on the fee, then finds herself embroiled in a murder case with Tawny's name written all over it. Bad check in hand and a bad taste in her mouth, Casey resolves to stop Tawny once and for all, but the battle quickly turns personal when Tawny proves more than a match for the irrespressible Casey. Ego rattled, Casey laces up her high-tops to track her nemesis to Florida for a Saturday night catfight. Casey must leave her sweet-and-sour Southern ways far behind in order to prove that Tawny Bledsoe is one bad-to-the-bone babe who belongs behind bars-no matter what it takes to bring her down.

### **Lynda holland says**

#### **A very good easy to read mystery I enjoyed it very much.**

It was very good an easy to read mystery. I enjoyed it very much. I look forward to reading more by her.

#### **Bad to the Bone**

There is some bad language in this book, but it doesn't seem to be out of place or overwhelming. There are crude comments as well. The sex happens between paragraphs or chapters. If any of these bother you, you probably don't want to read this book, anyway. That being said, I enjoyed it and would recommend it to anyone who isn't bothered by a bit of those things.

### **Katie says**

#### **Action Packed**

Loads of action, mystery and jammed with enough violence make a entertaining book of a sassy and bad tailed illegal PI who gets more than her man!

---

### **Jack says**

Well plotted and entertaining private investigator story.

---

### **Janet Cardillo says**

#### **Forgettable**

I finished the story and it was ok, but not a stand out. Maybe too many characters. I wasn't crazy about Casey. Couldn't relate to her way of thinking.

### **Jolie says**

I love Casey Jones mysteries....even if I read them out of order....lol.

This was a good book. Very fast paced.

Will I read this book again? Yes

Will I reccomend this book to family and friends? Yes

### **Sharon Sanders says**

I am really enojying this series.

---

### **Gina says**

Lot's of fun. This is my first Casey Jones title, and I'll definitely read more.

---

### **Ken McDouall says**

Unlike many crime series that go into autopilot, Munger's tales of an outrageous southern woman detective get better as the characters become more familiar. Just the right mix of hilarity and sobering emotional issues.

---

### **Ann Marie says**

I love these Casey Jones mysteries. Casey is duped early in this story and vows to prove that Tawney Bledsoe's husband is innocent of a murder that Casey believes Tawney committed. This was a fast paced,

foul mouthed, page turner. Loved it!
