## **Child, Family, and Community: Family-Centered Early Care and Education Janet Gonzalez-Mena**

The sixth edition of *Child, Family, and Community: Family-Centered Early Care and Education* continues to provide you with essential information in a friendly and assessable manner. It discusses the socialization and education of young children in home, child care, and educational contexts from birth to 8 years old. The sixth edition is written to and provides concrete strategies for a broader audience to better meet the needs of aspiring professionals of all types including educators, social workers, and parents. The theme of the revision is advocacy and new *Advocacy in Action* features present personal stories of well known professionals who have made a difference in the lives of others. This new edition will truly inspire you to become an advocate to improve the lives of children and families, education, and society. "

### **Margie Potter says**

Easy read, not your same ole' boring textbook.

---

### **Lexie says**

Read this textbook for my Child, Family, and Community education class. Learned some great things. However, it is slightly outdated and I wish our teacher had chosen a more updated and interactive book.
