## Second Chance Proposal Anna Schmidt

"Homecoming Reunion" John Amman left his Amish community and sweetheart Lydia Goodloe to make his fortune in the outside world, while Lydia stayed behind to devote herself to teaching. She can accept spinsterhood, and even face the closure of her beloved school. But John's return after eight years tests her faith anew. Lydia hasn't forgotten a single thing about John Amman--including the way he broke her heart.

John risked becoming an outcast to give Lydia everything she deserved. He couldn't see that what she really wanted was a simple life--with him. Lydia is no longer the girl he knew. Now she's the woman who can help him reclaim their long-ago dream of home and family...if he can only win her trust once more.

## **From Reader Review Second Chance Proposal for online ebook**

### **Marcie says**

Love this book. Even though it took me forever to read it. Lost my Father the 6th of Dec and lost all interest of reading... until a few days ago... then I just couldn't put it down. my love of reading and of Amish lives finally pushed thru my grief and showed me I can be happy again.

### **Lynda says**

Review to follow.

---

### **Michele Benchouk says**

I very much like this series, but this one was too repetitive in the leaving and returning and leaving... The characters were one dimensional, but the epilogue was long and satisfying.

### **PWRL says**

A

---

### **Christy says**

The indecisiveness and the second guessing got on my nerves with this read. All the wavering just went on too long. I just wanted to say get over it.

---

### **Barbara says**

I wish there were more sisters in Celery Fields!

---

### **Kate says**

This was the last of the 'Amish Brides of Celery Fields' series, and was Lydia's story. I got to know Lydia a little bit in the previous books, but this book showed a different, more spunky, side to her. That said, she still managed to get on my nerves because she was so afraid of John leaving her again that she eventually pushed him away.

John also was aggravating in some ways, especially how he would not tell Lydia what was on his mind from

when he'd left 8 years previously. A LOT of assumptions were made on both John and Lydia's part, and that created a whole lot of problems.

They did work things out eventually, (this IS a 'Brides' book, after all!) and vowed to not rely on assumptions anymore. All in all it was a good book.
