### ETERNAL TEMPTATION

Fierce, troubled brother, Darien Kategan now leads his life in solitude. Shut off from his family, he lives only in a past that haunts his every breathing moment. But on the path to recover himself and move on with his life, he finds a woman hurt on his land. Something about this woman will not allow him to walk away. Instead he takes her in, even against his better judgment.

A woman running from a horrible secret, Cassie Wilks has no place to run to and no family to help her. When she passes out on a troubled lykaen's land, she decides she wants to learn more about this dark giant of a man. But time ticks by, bringing her dangerous secret closer and closer. Her attraction to the dark lykaen brings sensual passion into play and brings forth new experiences for both of them. As Cassie's secret draws near, her passion pushes Darien to release his demons and embrace love. But will Darien be able to accept Cassie's salvation before time is up?

### DARK SEDUCTION

When a lunatic vampire escapes from prison, Dmetri Demidov is called in to help protect the Kategans. After all, out of all the Justicars he was the only one who used to have an intimate relationship with one of the Kategans. Dmetri's grumbling over having to "babysit" the Kategans is quickly extinguished though when he meets the pack's healer—Christine Barrows. Suddenly Dmetri can't recall why he preferred chic, classy women when he sees Christine. She is rough, wild, and so sexy she drives him crazy. Having her once isn't enough, and for whatever reason—he wants more.

Christine Barrows has one goal in life—to mate with an alpha. When the sexy and exotic Russian vampire comes into the pack and chases after her, Christine doesn't know what to do. She loves the way she feels in his arms, loves disarming his cool façade, but she can't ignore her goal no matter how her heart feels.

As the danger grows around the Kategans, Dmetri and Christine wind up in the middle of a dangerous game. Dmetri is forced by one short woman to question his feelings on the one thing he's never experienced--love.

### TEMPTING WHISPERS

In the final installment to the Kategan Alphas series, Vanessa Kategan is a desperate woman. She's got no job, no money, no place to go and to top it all off she's on the run. That is, until she runs into the irritating, thought-consuming vampire Brayden. Now he's forcing her to accept his help and she takes it even knowing her heart is on the line. The vampire can make her body burn one minute and her temper explode the next. Yet, she's drawn to him like no other.

Brayden lives his life by codes. One of those codes is to protect others who can't protect themselves. When Vanessa Kategan rolls into his town he can't deny the urge to help her, nor can he keep his hands off of her. Soon, the walls are closing in on them. Time is running out, people are showing up dead, and Brayden's not sure if he can keep Vanessa safe through it all.

#### **Review for Eternal Temptation (The Kategan Alphas #4)**

##### **This Series is absolutely Yummy!!!**

An erotic paranormal novella done right. I thoroughly enjoyed it!

### **Darien Kategan**

My heart went out to Darien Kategan. He was a man in mourning when he found Cassandra, wounded and passed out in the woods near his cabin. I loved the damsel in distress in need of an alpha to save her from the big bad vampire plot. These two were so hot together and Eternal Temptation was much improved over book 3 of this series.

There are only two more books left and I look forward to more of this world that T.A. Grey has developed.

#### **Review for Dark Seduction (The Kategan Alphas #5)**

Dmetri and Christine were a joy to read. Dmetri is a 600 year old vampire that is used to getting everything and anyone that he sets his sites on. He's rich, uptight, and uncompromising. He doesn't need nor want love, just a hot woman in his bed.

In walks Christine. She is Dmetri's polar opposite. She's a young, carefree, werewolf looking for a mate to love. I love how this series flows. Each book picks up where the previous book ends, yet each story is very unique with fresh creative plots.

This series has become a guilty pleasure for me with its wicked hot werewolves and sexy ass vampires finding love when they least expect it.

I have thoroughly enjoyed this entire series and look forward to the final book featuring Vanessa and Brayden. The July 27th release date for "Tempting Whispers" seams so far away.

#### **Review for Tempting Whispers (The Kategan Alphas #6)**

**What a wonderful ending to the Kategan Alpha series! Hardass emotionless Brayden finally admits that he has fallen for the young Vanessa.**

### **Brayden**

The only problem is that she is already mated to the man he insisted she marry two years ago. Brayden was so cold that I was afraid that his love story would lack spice, but his dirty mouth was just one of his many talents.

---

I was glad that Brayden was also able to solve a cold case that was brought to our attention in the 1st book of the series, Breeding Cycle. He was working on it as a favor to Vane's mate, Sarina and what a great way to wrap up the series.

#### **Excellent Imaginative Writing**

I can truly recommend Ms. Grey's writing having just finished the Kategan Alpha series as well as the Bellum Sisters. I can lose interest very quickly in stories which don't pique my intelligence with a good plot comprising action, romance, and humor. Ms. Grey does a good job of handling these elements realistically and she also throws in subplots involving other characters who are the lead protagonists in her next books. As you can see, I'm truly a fan! Recommended!!!

### **Stephanie says**

My daughter and I read this book together over a period of days while doing random chores, i.e. making lunch, dinner. I loved all three stories. Darien, the wolf and Cassie, the vampire were hilarious. I loved Cassie's determined spirit, particular after enduring her hellish husband. Dmitri and Christine were an experience I would not want to miss. Dmitri, as the old school vampire and Christine, the sassy healer. Then, last, Brayden, the stoic vampire and Justicar, who fought valiantly and lost his heart to Vanessa, the young sexy and free-spirited lykean. I'd recommend Volume II to the avid reader who enjoys a heavy dose of SASS in both male and female characters....

### **Carrie Renteria says**

This series was so good there are three books Eternal Temptation which is about Darien Kategan and Cassie Wilks who is on the run from a crazy stalker. Darien is troubled and he is dealing with the death of a woman he believes he loved. He finds Cassie passed out on his land and he tries pushing her away and no matter how hard he tries she just gets under his skin. This story is really good there is a lot of action in it Darien ends up saving her from the crazy stalker who tries staking claim over her and the two of them go through some amazing trials and tribulations and end up helping each other move on and heal from their awful past.

The next book in the series is Dark Seduction and it is about Dmetri Demidov a Vampire that is called in to help protect the Kategan Pack. He ends up being attracted to the Pack Healer Christine Barrows. Christine is the polar opposite of what Dmetri's type usually is he normally goes for the sleek classy type and Christine is wild and sexy and very rustic. Christine has some issues of her own her mother is very temperamental and tries to play matchmaker. Christine's only goal is to be married to an Alpha but when she meets Demtri she is thrown off of her course. This story is great the two of them have explosive chemistry and they fight all the time but when things get good and they stop fighting each other it gets really really good!

The last book is Tempting Whispers. This book is absolutely one of my favorites in the series this one involves Vanessa Kategan and Brayden who is a Vampire that works for the Justicars. Vanessa was forced to Mate this awful Alpha by her father and she is now on the run. Brayden ends up helping her and the two of them (who met in one of our previous books) have this amazing chemistry and Brayden tries to fight his attraction to Vanessa even though she is tempting him at every turn. This book is so hot and steamy there is a ton of action and suspense in it as well. If you haven't read it start this series from the beginning there has not been one that I didn't like!

### **DEBRA LUUFFMAN says**

I thoroughly enjoyed the first volume and was happy to see they took some of the other characters and continued the story around them so that we had a chance to explore further. Only 4 stars because I wish they had provided more background on Demetri and Brayden as they were so old and there was a story there. This, instead of the way over done sex scenes would have scored a 5 star rating.

#### *Eternal Temptation*

Ohemgee. I want my own Darien. I loved both MCs but I just didn't understand how they fell in love so quick. Sure I get that his wolf claimed her but what did the gentle giant do to win her love?! 4 stars

#### *Dark Seduction*

When I first met Dmetri in book three I thought he was a beta and was hesitant about this story. However Ms. Grey did a great job with his character development and I saw the H as an Alpha. I loved Christine and the interactions between H/h was great. Opposites attract. 3 stars

#### *Tempting Whispers*

I thought Vanessa was ehhhh and immature. Not worthy of Brayden. Or maybe I'm just jealous that she has him and I don't. LOL. 3 stars
