### **Gracie Guagenti says**

There Was An Old Lady Who Swallowed A Rose follows the same pattern as other "There was an Old Lady" stories. This one keeps a Valentine's Day theme throughout the book and wishes you a Happy Valentine's Day at the end. I enjoy using these books in my classroom, but had not used or read this version before. When I use these books I find it helpful to use the puppet or a felt board when teaching so I can incorporate State Standards while I read. Educators can use this book to teach sequencing or positional words, "Becky, place the glitter inside the old lady. Place the card under the glitter."

---

### **Kourtney says**

I'm not sure what the purpose of the old lady swallowing things was, like I thought maybe it was to make something but it really didn't connect any dots at the end. I will say the little girl I read it to enjoyed it but it really didn't make any sense to me.

---

### **Jessica says**

Kind of an awful children's book... you never really was told why she swallowed the rose and it just seemed like it was trying hard. I'm sure kids love it though.

---

### **Rhonda Miles says**

very cute, as is all of the books in this series. my 5 year old enjoys very much.

---

### **Jenny Christen says**

I was unable to find a review on this book, however I did search the author and found her on the following site:

<http://www.scholastic.com/teachers/bo....>

It was interesting to me to see how all of these texts relate to each other. Each has a different theme, for example this one can really relate to Valentine's Day, but they all are easy to read and very child-friendly!

---

### **Sarah Wiwchar says**

Red with kindergarten. They gave a standing ovation. I'm dead

---

### **Kathy (Kindle-aholic) says**

Valentine's day theme. We liked it

---

### **Rebecca Ashley Teague says**

This is another one of the “The Little Old Lady Who Swallowed a...” books for Valentine’s Day. In this version, the little old lady is swallowing a bunch of different items so that she can make a gift for Valentine’s Day. This is a fun and engaging book for young readers. I would use this book in my classroom around or on Valentine’s Day to reinforce rhyming and repetition skills. The story contains many repeating verses throughout so students would be able to become familiar with the words through repetition.

### **Summer says**

This was given as a gift to the boys. I was curious about this series and was glad we didn’t spend money on it. It is an interesting idea, I believe, based off the Old Lady who Swallowed A Fly. However, as someone who helped treat those with swallowing addictions, this book bothered me and I found it odd. The ending fixed that but as a mom that is constantly worried about kids swallowing random things, it was stressful.

I realize this might be overreacting but it was just an odd book.

---

### **Matt Garcia says**

Zany book series that is usually themed in some way. The illustrations are very well done.

---

### **AMY says**

Cute book for Valentine's Day. This one is written in the style of previous ones of the series. It is a pretty good story with funny illustrations. Recommended for Gr. K-2.

---

**Deanna says**

Cute story, can hardly wait to read it to Kindergarten tomorrow!

---

**Am.Aversa says**

This book was about an old lady who swallowed a bunch of random things. At the end, she spit it all out to create a beautiful piece of art.

Genre: Modern Fantasy

---

**Lisa says**

Cute.
