What Choice Do I Have?: 26 Choice Secrets to Help You Achieve the Results You Want in All Areas of Life and Work Michael Kerrigan

To get more of what you want out of life, you need to make better choices. This book can help you do that. You want control! Right? Whether it's at work, in your business, at home, or in your social life, you want to choose what you do and who you become. But many people fall short in their efforts to make changes and influence outcomes. They may give something a brief try, but when they run into their first challenge, they quit. The return on this kind of investment is clear - nothing changes! This book gives you the tools you need to make choices that can empower you to better direct your life. Taking responsibility for where you are and where you are going, and making appropriate choices, will help you gain greater control over your dreams, thoughts, actions, and results.
