Then I met her.

She's breaking down every wall I've built, tempting me to risk it all. I crave her submission like nothing else. But first, I need her trust.

Only then will she discover the pleasure of surrender. Only then will I know peace.

This one was good but I rated it a little lower than the first one because it's a tease. There is still no sex! I can't wait for these two to get on with it. Hopefully I'll get some actual sex in the next one. And find out the truth about Isabelle's secret. On to the next one...

Full review to come with the last book of the series.

MY SIZZLING PAGES SERIES SPOLIGHT REVIEW

I absolutely love Cam!!! He's pure Scottish Alpha

(didn't expect that when I read the earlier series!!)

This story is brilliant, hot, clever, sexy, smart and intriguing... can't wait for TOTAL SUBMISSION because the cliffy at the end of this one nearly killed me!!

Just saying!!!

I don't think any author writes a cliffy like Roxy - OMG she has me on the edge of my seat awaiting the third book - but I won't spoil it for you!!

I'm kinda hoping that Cam will find that it isn't all about control and BDSM, that now he's fallen in love hard he'll want to show more of a vanilla side to his sex life! But well, we have to see what happens at the start of the third book first!!... Can't wait!!!

1-Click Addict Support Group says

So. Hot. So. F*CKING. Hot.

Oh godddddd, why do I have to wait? I just reached the end of *Wild Submission* and I am desperate for more. Cam left me, like Isabelle, needy, unsatisfied and wanting more. So. Much. More. In the best way, of course.

Cam wants Isabelle like no other. He wants her trust, her submission, to have the ultimate control. And then, only then, he will he show her the ultimate pleasure.

Okay, *Wild Submission* picks up where *Sweet Submission* ended and I was all geared up for a crazy, dominating sexfest. What I got was a thrilling, sizzling, scorching and captivating tale, and an *oh-hell-no* cliffhanger ending. And damn it, I loved it.

Cam is all manly, demanding Alpha and Isabelle, fierce, determined sub and they are perfect together. This story, their story, is one that'll have you reaching for your BOB and clenching your fists in sweet frustration. Because they need to get it together. Soon.

Ugh, I HATE waiting but I'm told (and I've read *wink*) that anticipation only heightens the pleasure of release. So I wait. January 12 has never seemed so far away.

Wild Submission is the second book in the *Submission* serial. Cliffhanger! OMFG, I hate/love it... ~ Beth, 5 stars

Thank you Roxy Sloane for giving me a ARC Copy of this book...

I loved it. At the end of Book 1 I was like no, I want more Cam and Izy! When I started book 2 it was all this anticipation and all this build-up.

And finally Cam was starting to let Isabelle in, and showing her what it means to be his Sub! Cam is all manly, demanding Alpha and Isabelle so determined to be his sub and they are perfect together. Although she is still unsure of herself and what it means to be a sub, Cam is slowly showing her exactly what she needs and what he wants from her.

“There’s no need to be ashamed,” I reassure her. “We’re all wired differently. Some people can spend their whole lives and be perfectly fulfilled by vanilla missionary every night. And others...we require something more particular to satisfy our needs.” >

But as always there is a secret lurking that is just waiting to be told...

Thanks Roxy for thinking of me. Loved it, no questions asked. Looking forward to the next one :-)

(BR with Sharon & Patty)

In this 2nd installment Cam & Isabelle grow closer & he becomes very possessive & protective of her. Brent is still trying to have power over Isabelle, manipulate her, & remind her of her past that still haunts her. Since Isabelle's discovered Cam's a Dom, it's all she can think about. She offers to be his sub, and wants all the pleasure & excitement that life has to offer, but most of all she has decided she wants Cam, & wants him to show her his world.

-God, it was my wildest fantasy come to life.

-Nothing is sweeter to me than teaching an innocent the dark pleasures they hide inside.

-All I wanted was to know more. Experience more. I want to get inside her, understand her, and discover every little thing that's hidden behind her perfect façade.

Cam also wants Isabelle to be his sub & surrender to him fully, but he wants her to be sure she knows what that means. He's also still trying to build trust between them, and figure out who the real Isabelle is. He craves her, and starts to really care about her. I can't wait to see what happens in the next book! Cam is really good for her & they are delicious together! I love how sweet he is & how he takes care of her. :D

-This woman has gotten under my skin and wrapped herself around my heart. Whatever she needs from me, I'll provide. No matter what the cost.

-Cam gives me the strength to believe in myself. Believe I'm worth so much more than what I've been settling for.

-She makes everything vivid and new, like I'm seeing the world for the first time.

★★★★! Wild Submission, part 2 of 4. Cam wants to give into the Dom in him without corrupting the daughter of his mentor!

“Control is everything to me. There’s not a woman in my life I haven’t mastered completely— and she will be no different.”

The **Sweet Submission** series is a *stand-alone* sequel to **The Seduction** and **The Invitation** series.

There are 4 parts, which should be read in order:

Part 1: Sweet Submission

Part 2: Wild Submission

Part 3: Total Submission

Part 4: Perfect Submission

*In **Sweet Submission** (part 1) socialite and heiress **Isabelle Ashcroft** (step-sister to Keely from **The Seduction**) found herself in **precarious situation** with her sexually and verbally abusive step-brother at **The Underground sex club**.*

*Scotsman, **Cameron McCullough, Cam aka Master** (COO of Ashcroft Industries and Keely’s right-hand man) came to her **rescue**. They have had their eyes on each other for years, but were held back by their **age difference** and the fact that **her father** was Cam’s mentor.*

*Moving Isabelle into his home nearly pushed Cam over the edge; **torn between** wanting to **save and protect** her and the Dom in him who wanted **control her body mind and soul**.*

Wild Submission (part 2) picks up after part 1’s cliffhanger ending. Cam cannot stay away, but **introducing Isabelle** to his **kinky world of BDSM** is going to take time and must be kept a **secret**. The story goes onto follow Cam’s **slow seduction** of Isabelle while a world of **jealousy, greed, secrets** and **lies** closes in...

Seven words to describe **Cameron McCullough, Cam aka Master**: **Conflicted, commanding, nurturing, caring, in-control, chivalrous** and, **temperamental**.

Seven words to describe **Isabelle Ashcroft**: **Impressionable, complacent, naïve, insecure, observant, adaptable** and **meek**.

Wild Submission, told from dual POVs reads at a fast pace heating up their **evolving relationship** only to arrive at another **dangerous situation**. Part 3, **Total Submission** will likely kick things up another notch!

Commanding and **chivalrous** Scottish hero! **Sizzling** sex scenes! **Villains, secrets, blackmail** and more!

**** 3 "who are you in the dark" STARS ****

Pleasure and power. Submission and control. They were just words to me until I discovered Cam's secret life as a Dom. Now, it's all I can think about.
~ ISABELLE

This is a total "**it's not you, it's me...**" situation. *Let me state this first:* The story is good, Cam is great, Isabelle is cute and the sexy stuff...*DAYUM!!* It's off the charts! I would have **LOVED** this book a year or two ago, at that weird time that I was obsessed with Fifty Shades of Grey and Club Shadowlands. Yeah, I used to eat all this BDSM sh*t up like candy!

But...

...which caused me to roll my eyes every two pages while reading this and I didn't really enjoy it that much. It's still a very hot and short read, so if any of you are still on the BDSM wagon, my advice would be to **GO FOR IT!** ;)

Isabelle Ashcroft has offered herself to Cam. She waited on her knees, naked, her head bent and asked him to take her as his sub, to show her how to please him and how to take pleasure out of that. *And she really wants this.* She wants the submission. She wants the obedience. *She wants Cam.* She just needs to prove that to him...

Cameron "Cam" McCullough has been barely holding back, barely keeping his control in check, worried about Isabelle's feelings and that she might not be able to adapt to the D/s relationship. But he will no longer

resist Isabelle's pull and deny her the pleasure of being **HIS**. She has already gotten under his skin, past the walls he builds between him and everyone else. There's no going back. **She is his now.**

She's an innocent. And nothing is sweeter to me than teaching an innocent the DARK PLEASURE they hide inside.
~ CAM

Oh. My. God! #CamIsComing and #SoWillYou!!!! Thanks for my blessed ARC Roxy Sloane!

This is not Fifty Shades. This is not mindless link. This is Domination in its truest form. Cam is not just hot, he's on fucking fire. Roxy really nailed the Dom/sub relationship in this erotic love story. Can Cam bring her safely into his world? What does it mean to truly submit? Does being a Dom mean that you are truly in control? Can Isabelle freely give herself?

My favorite quote:

“There’s no need to be ashamed,” I reassure her. “We’re all wired differently. Some people can spend their whole lives and be perfectly fulfilled by vanilla missionary every night. And others...we require something more particular to satisfy our needs.”~Cam

Roxy thank you for this beautiful, sexy, blissfully erotic tale!

I tried to make a teaser but I crashed my PucLab twice! Lol

This one picks up just after Sweet Submission took off. Well, well, well, Cam has finally decided and he's going all Christian style with contract and all. Not that Isabelle has read it because she trusts him enough to sign it without doing that. And then their dom/sub relationship commences and we have a lot of hot stuff. It is supposed to be strictly business but as they spend more and more time together, Isabelle slowly breaks Cam's walls and feelings are getting involved. He is protective and possessive and she finally starts to make some changes in her life and doesn't sound that naive anymore. Everything is going smooth but it can't last forever, right? Isabelle has secrets...and so we have drama and as usual, cliffhanger...

This part, as author's all others, is seriously hot, sheets are burning. It's interesting how the smut is very strong here and there are a few scenes that are sensual and a real turn on, but there hasn't been actual sex between those two yet.

The story line is interesting too and don't get me wrong because I liked it, just that I felt like it all has been done before. It is enjoyable read and I will definitely try the next one to see where the story goes, it's just that I didn't have that butterflies like I had while reading The Invitation.

Cam is very confident and that makes him sexy as hell, but I didn't really feel that D/S connection between him and Isabelle and he sometimes sounded just too much for me. I understand that he is all about control and dominance but I had a feeling like he was "barking" too much.(view spoiler)

(hide spoiler)]

That being said, off to the next one to see what's going on...

Ok, while I was reading this book I had an impression like I'm reading Fifty Shades Of Grey and Christian and Ana in the playroom. I did, I swear!

But later in the reading I didn't had any connections with FSOG and I loved that.

Like I said in the first review about this series, I really think that these are amazing, hot, steamy, sexy, kinky (*Oh yeahh*) and did I said amazing?

As soon as I picked up I couldn't put it down. It got me wrapped and excited and I read it within hour.

In this part we read about Cam and Isabelle's dom/sub relationship. They both are sexually driven to each others.

Cameron for the first time in his life have felt differently for his sub. And Isabelle after her abusive relationship with her stepbrother needs something different and she gets kinky dom/sub relationship as soon as she offers herself to him.

Lovely

Cam AKA Master is now torn between wanting to save and protect Isabelle and the thirst for control over her body, mind and soul.

Read them in order. :)

1. Sweet Submission
2. Wild Submission
3. Total Submission
4. Perfect Submission

I recommend this to everybody. It's easily read, hot, it has plot. I loved it.

Happy Reading!!

The story picks up right where *Sweet Submission* ended and of course, Cam is flustered to no end and Isabelle has no idea what's going on.

Cam decides he will take Isabelle for his sub but he has a lot of work to do. He makes her sign a contract even though he thinks she needs more time to work out what happened with Brent.

So they begin...and with a bit of a 'strong' start. I was a little shocked by that but Isabelle didn't seem to mind. Heck, she just wants Cam and everything that comes with him! And Cam is certainly not complaining!

But there has to be some drama and his name is Brent. What a snake! The only thing that is keeping me reading is that I know he's gonna get what's coming to him!

I still was a little surprised at how it ended. I know Isabelle has some secrets but with the progress her and Cam made, I thought she would've handled things differently. I guess we wouldn't have all this drama then. So make sure you have the next book, *Total Submission*, ready to go!

{BR with Mel and Sharon}

Submission begins like a seduction. A slow, careful dance to discover what you really need.

Isabelle and Cam grow closer in this second installment of the "**Submission**" series. Isabelle makes it known that she wants to be Cam's submissive. After failing miserably to resist her, Cam presents Isabelle with a contract that she must sign so that he can be her Dom. Hmmmm....sounds familiar, doesn't it??? And Cam has a special room in his penthouse apartment where he keeps all his sex toys and where the kinky sexy times take place.

I've definitely read many similar books, but I really enjoyed this story. I found myself falling for Cam and I was actually jealous of Isabelle for getting some serious spanking from him. They still haven't had sex yet but there are a few extremely hot foreplay scenes that had me fanning myself.

A word of advice, don't attempt to read this at work. I tried. I had to quickly turn off my iPad because I felt myself getting a little overheated.

Isabelle is being blackmailed by her adopted brother, Brent. He's threatening to reveal some secret she is desperate to keep from Cam for fear he will be disgusted with her if he ever finds out. This leads to a cliffy at the end.

I honestly enjoyed this one and felt it was even better than book one. Roxy Sloane has succeeded yet again in creating a sinfully sexy and swoonworthy alpha male. Ladies you definitely need to meet Cam McCullough!!
