**A Mountain Christmas Romance (Wyoming Mountain Tales Book 4)** Misty M. Beller

*A Christian Historical Romance*

Stripped of the family so important to his Viking heritage, Matthias Bjork is now on the hunt for his sister. Despite combing the entire Wyoming Territory, he hasn't found any substantial leads regarding his sister's whereabouts, but he has discovered a most unusual woman. This woodland nymph who's come to work for his good friend in the quiet town of Mountain Bluff is like no one he's ever met.

Opal Boyd has finally found the haven she's longed for all her life, in a most unlikely place—working for a German couple in this remote Wyoming mountain town. She learned long ago that most men couldn't be trusted, but when a mountain man stops in the boarding house where she works, he seems to have the respect and affection of the two people she's learned to trust implicitly. And the more she comes to know Matthias, she struggles not to trust him the same way the others do.

When he shares the magical experience of his family's traditional Viking Yule celebration, she can't help but fall a little more in love with him each one of the twelve days of Christmas. But when Matthias' search for his sister takes an unexpected twist, Opal is forced to make a choice that will alter the course of her life—no matter which answer she chooses. When Matthias' decisions land Opal in danger, what must he sacrifice to rescue her?

## **From Reader Review A Mountain Christmas Romance (Wyoming Mountain Tales Book 4) for online ebook**

### **Marion Abbott says**

I liked lots of things about this book - the setting, the characterizations ... but clunky lines like "he kissed her like a hawk hovering over its prey" took me out of the narrative and into laughing fits.

I'm definitely willing to read more of Beller's work to see if it was just this piece that I wasn't the biggest fan of.

---

### **Debb Hackett says**

This is the first Christmas story I've read this fall and it didn't disappoint.

Misty Beller has woven a sweet story of overcoming an unpleasant past to find enduring love and that is a wonderful message to enjoy in any season.

I particularly enjoyed the way she painted characters and wove scripture into the story.

Nicely done!

---

### **Brittany says**

A Mountain Christmas Romance was a sweet, beautiful story. I loved watching the romance grow between Opal and Matthias. These were such great characters! Opal had a lot to overcome from her past. She finally felt safe, cared for, and secure in her living and working situation. She was not sure if she could open her heart to a man, even one as caring as Matthias.

I really enjoyed this wonderful addition to the Wyoming Mountain Tales series. It was great to read Opal's story and revisit a few characters from the previous books, as well. The story can stand alone for those who haven't read the other books in the series.

I received a complimentary copy of this book. All opinions are my own.

### **Pamela says**

WOW! A Mountain Christmas Romance was an wonderfully written book. I really enjoyed how Opal was totally against men but when she meets a Viking named Matthias her world changed.

Their worlds were so different but through hardship, danger, laughter and the love of a special German couple they learn to trust each other.

When I wasn't reading I was thinking of this book and couldn't wait to read it and find out what was going to happen next. A Mountain Christmas Romance has excitement, sweet moments, intrigued and lots of danger and of course Matthias having to save Opal was sigh worthy.

I also love learning about how the Vikings and Germans telling how Santa started.

I gave 5 Stars because Misty M. Beller wrote such a wonderful story.

I can't wait to read the other books in this series!

I was given this book by the author. I was in no way obligated to write a review, the opinions stated are entirely my own.

### **STORY-LINE A MOUNTAIN CHRISTMAS ROMANCE BY MISTY M. BELLER:**

Set in the Wyoming Territory of 1867, Matthias Bjork, descendant of Vikings, spends his life searching for his sister. In between journeys, he stays with a loving German couple; the Shumeister's consider him a son. While out racing across the landscape, Matthias and his horse, Karl, are felled by the sudden appearance of a woman.

Discovering Opal Boyd, works for the Shumeisters, comes as a surprise to Matthias. Opal's happier than she's ever been; secure and loved with the Shumeisters. Opal has no interest in men and doesn't trust them for good reason. However as she comes to know Matthias, her trust builds. The road to love for Matthias and Opal is rocky and rough, as Matthias searches for his sister and a threat arises which could be the end of Matthias and Opal. My romance book review of A Mountain Christmas Romance follow

### **CHARACTERS, PLOTTING, DEVELOPMENT:**

Misty M. Beller created a romance filled with emotion and a story-line which held my attention from start to finish. Including hints of mystery, feelings of mistrust, misunderstandings, romance, and a crisis which changes everything, Beller included all the elements needed for a successful romance.

With several plot threads, Misty M. Beller, brought all the threads together to form a solid book. With well-developed characters, intriguing plot lines, and writing which is easy to follow and read, Beller had no need sex or fluff to fill the pages. This is a clean sweet romance which will tug at your heart-strings. Including the abandoned dog, Charmer, adds to the depth of the story; he's loving and protective to his pack of humans.

Matthias is a man who thinks he's not worthy; that things fall apart and go wrong when he's around. Opal, from past experiences, does not trust men; and has no intention of ever marrying. However God, has a plan He sets in motion for Matthias and Opal. All they have to do is rely on God, listen to his voice, and grab life. We, as humans, find this hard to do at times; as will, Matthias and Opal.

Opal must face and overcome her insecurities and mistrust, before she can accept the love of any man. Matthias is a good man, loving to the Shumeisters, protective, patient, and kind with Opal; how could Opal not fall for this tall descendant from Vikings. I like the way Beller allowed the romance and trust to develop slowly between Matthias and Opal.

Every good romance must have a villain or two; Beller created fine villains for A Mountain Christmas Romance. Holding the reasons for Lefton's hatred of Matthias close to her chest, she did not reveal the what, why, and when, until necessary. I loved watching in my mind's eye, as Opal faced her enemy and stood up for Matthias. As well as, when she defended herself when another villain thought her a weak woman.

I found A Mountain Christmas Romance well-written with well-developed characters and pacing in line with the length of the book. The reader also sees characters from the earlier book. I love stories which have continuing characters, as we get to catch up with their lives and hear all the latest gossip. Filled with action, a touch of mystery, and sweet clean romance, I would not hesitate to buy this book for myself or a friend.

A MOUNTAIN CHRISTMAS ROMANCE RECOMMENDATION: STARS 4

FINALLY, PLEASE NOTE:

Additionally, I received this book from the author and chose to voluntarily review the book with an honest romance book reviews. Lastly, book reviews of any novel are dependent on the book review author's opinion. Consequently, all book reviews on-line and on my blog, are my opinions. In addition, the ARC did not affect my voluntary romance book reviews.

### **Glenda Parker says**

My review today is on the novel, A Mountain Christmas Romance. This is book four in the Wyoming Mountain Tales Series. This book is well written, heart warming, and with just a twist of intrigue. I really enjoyed this book and I know you are going to love it.

Matthias Bjork is on his way back to Mountain Bluff to visit his family. They aren't his true family but they were all he has. He hunts for them, brings supplies, and repairs the property. He is riding hard and is about to jump the creek when a woman screamed, his horse falls in the creek. He rescues the girl; she reminds him of the sister he has been looking for but his reaction to her has nothing to do with brotherly love. He finds that she works for the German couple who has become his adopted parents. Can he keep his heart in tact?

Opal Boyd is out collecting herbs when she meets Matthias. He gives her a ride home. She is drawn to the mountain man even though she has a real fear of men. Matthias tells her stories of his viking heritage and how he is searching for his lost sister. She is thrilled with his Yule Tide Stories. She finds herself looking forward to his returning to the boarding house every few weeks.

A story of two lonely souls who are drawn together through circumstance beyond their own control. God has a plan for these two, a good plan and not for evil. God has a plan for you too; give Him your heart, trust Him, and watch Him turn your life around.

#### **Wonderful read**

I started this yesterday and could not put it down. I felt as if I was there in person. I could imagine the countryside and its beauty . Opal, Matthias and a host of other characters brought love , mystery and danger to a Christian read. I would recommend it to anyone .

---

## **Terri says**

A Mountain Christmas Romance. Another great book by Misty Beller. This has been a fantastic series that has brought me so many hours of enjoyment. This is book 4 and gives us Opal's story. We met Opal in the last book, she is Tori's cousin and she went to live in Mountain Bluff with a sweet couple the Shumeister's. She helps Mrs. S with all the choirs and baking they do to sell to the locals. Opal is happier than she has ever been with her new life, safe and loved in this small mountain community. Along comes Matthias Bjork, tall handsome, mountain man. He is close friends with the Shumeister's so much so he is like their adopted son. Opal is afraid of all men and their intentions for good reason but it keeps her growing feeling for Matthias at a distance until she finally realizes this could be God's plan for her future. We get to revisit Tori and Ezra and their growing family as well as Mara and Josiah. This books gives us hope, love, strong family ties, hate, danger, healing and happiness. No spoilers here, but this book is packed with lots of emotions. I received an ARC to voluntarily read and give my honest opinion of this book. I loved it and highly recommend it as well as the other 3 in this series. You don't have to read them to read this one but trust me you will want to as they are all great.

## **Alan T says**

### **Opal & Mathias**

Opal meets Matthias when he jumps his horse across the stream valley as he usually does and knocks her into the stream.

Plotting is fair, but not as good as most of Beller's books. Characterization is excellent.

---

## **Terri says**

### **I love this book**

Another winner by Misty Belle. I can't say enough about why I love her books but one of my main reasons is that she develops in such a way that you can actually feel like you're right there. I also like the fact that she uses a lot of God's word in all of her books and that she allows the characters to go through hard times to show that just because we believe in God doesn't mean our life will always be perfect but by keeping faith in God and his word the best always happens

### **BACK OF THE BOOK BLURB**

(copied from Amazon.com)

## A Christian Historical Romance

Stripped of the family so important to his Viking heritage, Matthias Bjork is now on the hunt for his sister. Despite combing the entire Wyoming Territory, he hasn't found any substantial leads regarding his sister's whereabouts, but he was discovered a most unusual woman. This woodland nymph who's come to work for his good friend in the quiet town of Mountain Bluff is like no one he's ever met.

Opal Boyd has finally found the haven she's longed for all her life, in a most unlikely place--working for a German couple in this remote Wyoming mountain town. She learned long ago that most men couldn't be trusted, but when a mountain man stops in the boarding house where she works, he seems to have the respect and affection of the two people she's learned to trust implicitly. And the more she comes to know Matthias, she struggles not to trust him the same way the others do.

When he shares the magical experience of his family's traditional Viking Yule celebration, she can't help but fall a little more in love with him each one of the twelve days of Christmas. But when Matthias' search for his sister takes an unexpected twist, Opal is forced to make a choice that will alter the course of her life--no matter which answer she chooses. When Matthias' decisions land Opal in danger, what must he sacrifice to rescue her?

### MY REVIEW

This is a great ending to this series! Misty did not fail to finish without pulling me in yet again. I can recommend this book, this series (best to read in order), and I think you will enjoy it as much as I did.

---

### **Amy says**

The story is a warm and fuzzy one, though it takes too long to get to the actual romance! The author's descriptions of the characters and places are vivid and make me want to cozy up by the fire side with a cup of cocoa and a good book.

Will Opal and Matthias finally find they can trust one another and they are worthy of a life time of love?? Will Opal be willing to leave her security and love for couple she works for and move to another country to marry for love and hopeful wedded bliss?? Will Matthias' lone enemy end it all before they have the chance to decide the future?

---

## **Deb Gardner Allard says**

I totally enjoyed this book. It is a tender, character-driven story about blossoming love. The main characters, Opal and Matthias, get off to a rocky start when they meet in the woods, but although they seem worlds apart, they slowly connect through their relationships with a loving German couple who took each in after they lost loved ones. The plot and ending are rewarding and the writing is top-notch. I highly recommend it during the holidays and any time of the year when our hearts need a little massage. There are a couple of typos, but I gave this book 5 stars because the writing and story are top-notch. I definitely plan to read more books by Misty Beller, that's for sure. I was given an ARC for an honest review and I attest that this review is fair and honest.

---

## **Penny McGuire says**

A Mountain Christmas Romance by Misty M. Beller would make a great Christmas gift for the reader, young or old, in your family! Matthias Bjork is a Viking mountain man who roams the Wyoming territory in search of his long lost sister. His home base is in a remote town where an older German couple, who run a boarding house, open their home to him when he traveling though. He happens by one day and discovers that the couple now employs a young lady by the name of Opal Boyd. A romance buds over time between Opal and Matthias with a lot of twists and turns along the way. This book is very well written and makes you feel like you are right there beside them!

---

## **Rebecca says**

Matthias Bjork is stunned to find a lovely maiden tucked along the creek bank that his horse just unsuccessfully tried to jump. He is even more surprised to learn that she is the new hire at the Shumeister's boardinghouse and bakery where he typically stays when visiting Mountain Bluff. Opal Boyd is a beauty for sure, but she appears to be timid and uncertain in his presence. It really shouldn't matter one way or the other what she thinks of him, since "the people around him always ended up getting hurt from one of his rash decisions, so he'd learned long ago to keep his distance".

Opal doesn't know what to make of the large Viking-like mountain man, Matthias Bjork. The Shumeisters seem to love him, but Matthias has clearly stated that he is on a quest to search the region for his estranged sister, which guarantees that he will be moving along again soon. "Her father was her only living relative and some days she wished she didn't have to claim him." So why does she miss Matthias' presence when he is gone? Isn't she perfectly content to remain alone?

When circumstances allow Opal and Matthias to thread a gentle friendship, it seems that this Wyoming winter might deliver plenty of pleasant surprises.

I am grateful to the author for a copy of this book. I was in no way obligated to write a review, the opinions stated are entirely my own.
