What do you get when you cross a regenerative, cranky, old X-Man with a regenerative, wacky, Wade Wilson? DEADPOOL Vs. OLD MAN LOGAN! James "Logan" Howlett is after a newly discovered Omega-Level mutant and he just won't let Deadpool help. So, naturally, Deadpool vows to outmatch his newly marked enemy for the entirety of his mission!

Andrew says

i'm a little on the fence about this book - as a concept, that is. the first issue is actually off to a decent start. but we all know marvel are the experts when it comes to schlocky gimmicks (of which i'm a usually a big fan) and it seems that whatever movie is coming around the corner they shamelessly promote in every conceivable way.

“well, deadpool’s been a hit with the cynical crowds these days (he’s great, don’t get me wrong) sooooo, let’s just team him with Logan”

alright, alright i’ll take it.

Vinton Bayne says

3.5 I enjoyed it. It was exactly what I expected it to be.

Danielle says

This was awesome. So funny! I love Deadpool and can’t wait for the next issue.

Curtis says

The Regenerating Degenerate and the Wolverine butt heads in this fun, goofy chase comic!

I wouldn't mind seeing where the rest of this wild adventure leads. :D

Jef says

Wauwie.

Sasan Hassan-Abadi says

The plot is flat but the art is good enough to give 3 star, instead of 2!

Liam says

they love each other really

Etienne says

A more humoristic comic book. Not bad, not great. Funny and good action but nothing much. The illustrations are not really my style but there alright. Only five issues in the line so I'll probably follow up!

David Dalton says

What a team-up! Deadpool & Old Man Logan (who has become one of my favorite characters) together (sort of)! Non stop action/killing & maiming/jokes/action.
