## French Twist Nicole Clarke

Kiyoko's sister Miko came to town to rock the runway, but she's leaving with a newfound protégé! She thinks Alexa has what it takes to be a supermodel, and now Alexa and Kiyoko are en route to Paris so that Alexa can break into the couture culture. Alexa and Miko have so much in common—it's a good thing that Kiyoko isn't the jealous type, right?

### **Mustang says**

This book is about a girl named Alexa and her roommate Kiyoko goes to Paris. Then Kiyoko sister thinks that Alexa would be a great model. So she takes Alexa her first photo shoot and they loved her. So she gets more and more photoshoots from people. Then she gets to be in a fashion show and killed it with her walk.
