Christian Romantic Suspense and Companion Bible Study

*Now bundled in this digital collection, the fifth Miller's Creek novel A BRIDGE UNBROKEN and its companion Bible study THE FRAGRANCE OF CRUSHED VIOLETS both explore the difficult topic of forgiving the inexcusable.*

### A BRIDGE UNBROKEN

#### *Not all scars are visible...*

Frightened and on the run, Dakota Kelly just wants to erase the painful past. But her plan to start afresh is derailed when she co-inherits her late grandfather's farm with her high school sweetheart--the one responsible for the scars on her heart. Unfortunately, he's not the only ghost from the past. Someone else is on her trail and will stop at nothing to get what he wants. Will Chance and Dakota lay aside old wounds and a harbored secret to restore the old farmhouse and bridge, or will evil forces sabotage their attempts to forgive?

### THE FRAGRANCE OF CRUSHED VIOLETS

#### *A Bible study on forgiveness...*

What do we do when someone seems determined to bring us down through an attack that is personal, public, and unfounded? How do we deal with meaningless acts of destruction especially when the offender shows no remorse? In short, how do we move past the emotional pain to a place of forgiveness?

This forgiveness Bible study examines relevant scriptures for the purpose of building a Biblical understanding of:

- what forgiveness is and what it isn't
- God's role in the process of forgiveness
- what Jesus accomplished at the cross for each of us
- our mandate to forgive as we've been forgiven
- what gets in the way of forgiving others
- and how to truly forgive the unforgivable

A Path Less Traveled

The Way of Grace

Pilgrimage of Promise

Interview With the Author

### **Q - Why write stories about a small fictional town in Texas?**

A - I grew up in a small Texas town, so I know all the pros and cons and absolute blessings of living in a place like Miller's Creek--a laid-back, down-home lifestyle, wonderful folks, and even a few who think it's their job to know everyone's personal business. The stories were designed to give readers an experience of feeling like they've arrived at a place that feels like home.

Although the Miller's Creek novels are technically classified as romances, they're really so much more: southern fiction, women's fiction (though I have a surprisingly high amount of men readers), suspense, comedy, drama, even a little bit of psychological thriller thrown in to keep readers turning pages. And each of the books carry a distinctive spiritual theme as well as an overall journey theme for the series. (Hence words like roads, path, way, pilgrimage, and bridge in the titles.)

### **Q - So why will readers be interested in the Miller's Creek novels?**

A - Based on reader reviews, I'd say the books are compelling reads for these reasons:

1. They make readers laugh one minute and tear up the next.
2. They offer plenty of conflict and tension to keep readers turning pages.
3. The setting is compelling. (Some readers have compared Miller's Creek to Mayberry, only Texas-style. And I've lost count of how many readers have told me they want to live in Miller's Creek.)
4. The characters are endearing and relatable.
- 5.

Kept me reading right from the start. Loved the suspense angles throughout the book. The twist at the end was really good but was too short lived. Can't wait to read the next one!

**Lillie says**

In general, I think the going-back-to-the-hometown-and-dealing-with-a-past-relationship theme is overdone, but this one is done very well. The novel is an excellent romance between two people who hurt each other in the past and have to learn to forgive. The companion book is a Bible study on forgiveness. Since I'm involved in a couple of Bible studies already, I just skimmed it but it looked like a good Scriptural study.

## **Ann says**

This is a wonderful book combination. The first book, A Bridge Unbroken, is a suspense and romance novel that had me hooked from the first pages. It is a story with lots of twists and turns that definitely kept me reading because I couldn't put it down. It certainly keeps the reader until the final pages. It is also has a wonderful story of hurt people that learn how to forgive and trust through God's mercy and grace. The second book, The Fragrance of Crushed Violets, is an excellent Bible study on forgiveness and companion to that first book that definitely is a good study for either an individual or a small group. I definitely recommend both books.

### **Miller's creek forgiveness collection**

What a great story of love and forgiveness and yes forgiveness is hard especially when your trust has been betrayed

---

## **Linda Rainey says**

Cathy bring us two books dealing with forgiveness

Through use of the Scriptures found in the Fragrance of Violets, studying and support of prayer warriors, I found peace.

Now a decades old grudge and the unforgivable has been laid to rest.

### **Edge of seat**

Excellent emergence of characters and their identities. Storyline was complicated enough to keep a person's interest in what was going to happen next, but not so intensive that one could not follow the plot.

---

## **Sharon Abegglen says**

I thoroughly loved this book. The story always eluded to something you wanted to know. I had a hard time putting it down. I enjoyed the characters in the story and felt like a part of it. I love Dakota and her strength within all the struggles. I especially loved the way she found and held on to God as things begin to get more challenging. I have now gone back to start at the beginning of this series.
