## **Sinful Pleasures (Sinful Ladies of London Book 1) Kristi Jun**

Born to a fallen woman in St. Giles, she cursed the day  
she let a man dictate her life...

Amelia Knight was given the chance to start anew in Scotland to live with her wealthy grandmother but not without a price. She must never reveal her past to anyone and must marry for a title to have access to her very large inheritance. To secure a husband, she heads to the glamorous Regency London with a plan to ensure her independence and risks everything she vowed never to do: fall in love.

Born to privilege, he is forced back to London to remedy the family debt and shame and to fulfill a deathbed promise to his beloved brother...

Emotionally scarred and devastatingly handsome, Richard, the Earl Blackthorn, saw the horrors of a broken marriage first-hand. He has no plan to marry or remain in London. When an heiress devises a plan that will ensure their freedom from marriage in two years and pay off his inherited debt, he agrees to marry. Until an unknown threat forces him to face the one question he isn't willing to consider and open his heart to new possibilities.

**Great book.!!**

I loved this book, the story line was excellent. Its a real page turner, you won't put it down until you've finished it.

**Vi Mooberry says**

Kristi Jun did it again! I was hooked from the first page to the last one. Delightful story and characters brought to life by descriptive words. I can't wait for the second book to see what Amelia's friend Kate has been caught up in.

---

**Jennifer says**

As the title suggests, this is a series about the underbelly of polite British society in the early 1800's. True, there are Lords and Earls and plenty of castles and balls, but Sinful Pleasures gives us a different take on the late Georgian era.

An heiress and an earl, both in need of a good match, find good reason to marry. All is as it should appear to society. Beneath the titles and the money, however, Amelia and Richard are scarred and imperfect people, convinced they aren't capable of true love. They're prepared to carve out their own versions of happiness, until their mutual attraction turns into love. As they work together against the injustices of their society, in the underbelly of London, Amelia and Richard are tempted to crave more from each other. But can a former soldier and the daughter of a whore dare to find happiness?

A romance novel with depth and clever writing from Kristi Jun, allows you to feel along with her characters, as one feisty heroine, and one Byronic Earl fall unexpectedly in love. If you aren't careful, you just might fall in love with them.

**Lana Birky says**

This is the first book I have read from Kristi Jun and it won't be my last as I found it to be a wonderful read. Amelia Knight and Richard, the Earl Blackthorn made a perfect couple -they both had pasts that they had to deal with before they could find their HEA. The story had action, mystery, adventure, romance, love and some tender moments. I highly recommend this read and I can't wait to start reading Book 2 about Kate.

## **Tom Prejsner says**

### **Romance**

Thank you for sharing these wonderful romance novels series books. Please keep writing more of these wonderful books. I want to know what happens to Kate..

---

## **Suzy Kue says**

Sinful Pleasures was easy to dive into, it had an action-packed start and characters you liked immediately. The sexual tension between Amelia and Richard was hot and fun to read. The plot moved quickly, with unexpected twists and turns which led to a satisfying conclusion. Kept me up late into the early hours of morning reading.

And the cliffhanger for the next book! I can't wait to read about Kate!

### **Wow just wow**

I loved this book only the book needed proof reading in a bad way I can Usually have a book read in 2 to 3 days this took longer as I had to reread pages or sentences So Please in the Future Proof and also the end seemed rushed wish it would have slowed down a little but other than that it is Heartwarming and Romantic in all the right places read And I will give 5 stars it
