Slam Dunk, Vol. 2

Takehiko Inoue

Slam Dunk, Vol. 2 Takehiko Inoue

R to L (Japanese Style)

One of the most popular manga in the history of manga! Winning isn't everything in basketball, but who wants to come in second? It takes dedication and discipline to be the best, and the Shohoku High hoops team wants to be just that--the best. They have one last year to make their captain's dream of reaching the finals come true--will they do it? Takehiko Inoue's legendary basketball manga is finally here, and the tale of a lifetime is in your hands!

He may be a pain in the butt, but Hanamichi's athletic prowess and monstrous strength have not gone unnoticed by the captain of Shohoku's judo team. Hoping to take his troupe to a national title, the judo captain is willing to go to great lengths to lure Hanamichi away from the court and get him on the sparring mat. Will out-and-out bribery convince Hanamichi that judo's the way to go, or will he stay a basketball man to the very end?

Jedi JC Daquis says

What Inoue perfectly does is characterization. Volume 2 further explores the persona of Sakuragi, validating the readers why he is the charming protagonist of the series. This volume is funny as hell and serious whenever it is supposed to.

What I also find interesting is how the author manages to capture facial expressions with an impressive detail. The reactions are on point and perfectly placed, giving each scene that cinematic appeal.

I am so glad to have bought this manga.

David says

One of the more iconic of sports manga. It's the first series where I actually both read the manga and watched the anime. It has flawed protagonists, growing up pains, colourful characters, and beautiful meaningful relationships, all neatly wrapped around the context of college basketball.

Brian Ritchie says

This was an ok Volume - I finally decided to finish it off last night - and while the story develops, it is slightly slower than expected - though nothing to be frustrated about.

Its still 'introductions' in the manga world - Onwards

Karina says

Masi terus tertawa melihat kelakuan Sakuragi hahaha

Loay Mohammed says

The events that came up on this volume is so amazing , Sakuragi is so amazing characters and his development in the basketball skills to sum up the book is full with action , comedy , and amazing moments that you won't forget.

Yani Daniele says

Una vez que empiezas con las aventuras del Basket-man Hanamichi Sakuragi imposible abandonarla, así que continuamos con la relectura de este manga, y hay que decir que el segundo tomo, es mucho más divertido que el primero... las cosas que le pasan al pelirrojo son de no creer.... Aota le ha echado el ojo a Sakuragi.. podrá conseguir que ingrese al equipo de Judo? Hanamichi podrá al fin lucirse en un mini partido de entrenamiento? estas y muchas cosas más son las que pueden encontrar en las páginas de este Manga...

PD: aquí ya aparecen las porristas personales de Rukawa... "Rukawa... Rukawa... eres el mejor" jajaja

Aly says

Still a lot of fun to read!

Goldilocks Reads (Jenna Vahue) says

I'm enjoying this series more than I thought I would and I honestly only have one minor issue with it. The love interest that at least two confirmed boys are fawning over is so dull. I suppose she's pretty but she doesn't have much of a personality. Hanamichi is a total babe (in my opinion) who tops over six feet, broad shoulders, and has red hair. You could keep looking for a sweetheart despite being denied fifty times, which I find hard to believe.

There's a new character who pops up and was an old friend of the love interest. He's the captain of the Judo team and is trying to get Hanamichi to join. He is impressed by the ginger's athleticism and feels that he's wasting his time with basketball. He has a strange collection of old photos of the crush and tries to blackmail Hanamichi in getting them if he joins the judo team. It was very strange to read considering she would have been like 12 in those photos. This manga was written twenty years ago and that wouldn't really fly these days. All I am saying is that Hanamichi is wasting his time with this chick who is clearing crushing on a totally separate babe on the basketball team. Move on and find some other girl who is actually in to you and you can fulfill your dream of walking a girl home.

Koichi Mashita says

I am enjoyable to read this manga. Hanamichi decided to join basketball, but the content of practice is too simple. The reason why his practice is too simple is he did not have any knowledge of basketball and how to play it. There is a gap between ideal and reality, so he escaped from his club. However he returned to there because he did not want to give up. He met a coach whose name is Anzai, he looks like an ordinary fat man, but he is a really excellent coach. The practice game was decided, the opponent was the strong high school,

Ryounan. Akagi, the captain of Shouhoku was so happy to match with it. I really wonder the result of this match.

James Park says

?????????????????????????????? ?? ?? ???

Julie (Manga Maniac Cafe) says

4 stars

Lone Reader says

Volume 2 was released on June 10, 1991---+ my birthday!
The day Sakuragi declared he is a basketball player.
This makes it more special.

Demi Idle says

?????????

Albus2122 says

Mientras nuestro querido Hanamichi Sakuragi sigue el camino del basquetbolista, el autor del manga nos cuenta de la emoción despertada por todos aquellos fans que le grabaron (en cassettes) la canción escrita en el tomo anterior, les agradece y -siendo recíproco- escribe la letra completa.

Nota: Cabría resaltar que se publicaba (en Japón) por la famosísima *Shonen Jump* y que estas prácticas son comunes también en el cómic (es raro el cómic que no tenga al final una sección de correspondencia entre lectores y autor), sin embargo, es un antecedente que hay que considerar en la discusión "¿los fans arruinan las series cuando intervienen con el autor?"
