Sepertinya dulu saya pernah membaca buku ini...

Nyaris ga ada konflik, kecuali usaha Michel mendapatkan kembali istrinya.

I thought this story was really good, the couple 'break up' due to the pressure of their work/career, needing to be in different places to each other with extended deadlines. The hero when he catches up with the heroine is loyal and faithful despite some serious flirting from another woman. He has no quarms with making it clear he only wants his with, i liked that.

The heroine explores her past/family relationships and deals with some emotional baggage and they have a HEA.

Good read.

Separated for 6 months because she took the part and he did not want her to work. He demands a reconciliation in exchange for funding her film. Mostly a romance very little tension and she was a bit annoying. Sandrine hadn't forgotten the thrilling passion she'd shared with her husband. But when, only six months after their wedding, Michel Lanier had forced her to choose between her career and their marriage...Sandrine had to walk away. #### **The Marriage Deal**

A classic Helen Bianchin story. The story line deals with a woman who is married to a handsome man that one woman wants no matter what. The H is an actress but insecure about her man. I like the alpha male that doesn't allow the other woman any chance to get him.

Carino, spassoso e molto interessante. Una lettura poco impegnativa e molto scorrevole.

### **Gramedia Pustaka Utama says**

saya suka tokoh yang selalu digambarkan oleh HB. Multimillionaire greek guy >.<  
tipikal alpha male yang diidolakan semua orang.

sayangnya dalam cerita ini.. si alpha male ternyata harus takluk padaistrinya yang tidak mau dikekang dan tidak terpengaruh pada harta kekayaannya.  
konflik ceritanya bagus..tokoh2nya jd sangat menarik.
