The Pilgrim Song: 1929 Gilbert Morris

Like wayfarers before them in a foreign land, they learn to sing... Lewis Winslow has money, a large fancy house, and a bright future in business, but he's lost his beloved wife and now fears he is losing his children as well. Josh seeks one thrill after another, while Jenny finds her excitement at society parties. Kat, an all-out tomboy, is living in her own world, and Hannah has become a recluse. Their father isn't sure what to do about any of them. When the stock market crash robs the Winslows of the material comforts they have enjoyed, will they unite as a family? Living in poverty is like living in a foreign land for this Winslow family. The strength of their faith will determine whether they thrive or merely survive in the face of unfamiliar and fearsome hardship.

Michele Minor says

This is a good book where the wealthy Lewis Winslow loses everything and rediscovers his family when he moves them to his late wife's family place in South Georgia away from the temptations of New York City.

Jencey/ says

This book takes place on the beginning of the Great Depression.

Rachel says

This series by Gilbert Morris is one of my absolute favorites. Each book follows at least one member of a generation in the Winslow family tree and the member(s) gets saved and finds true love. There's also some commentary on the social conditions of the time frame. Truly interesting.

Sheryl says

Simple but inspiring story.

Solana Peterson says

Never give up on love.... I loved this book!
