Trix says

[I liked that this short story managed to tie off some loose ends from the previous book. The alcoholic mother is in rehab, Jeff and Ryan have moved in together and are still crazy in love with each other and wrapped around Anna's little finger. I didn't picture Ryan to be the emotional type, getting tear-eyed over sentimental declarations and there doesn't seem to be much of a change in Jeff, or perha

K.C. Beaumont says

Perfect, sweet, sexy follow-up to Custom Ride. Love it.

Lenore says

3.5 stars

Elizabetta says

This is a continuation of Mitchell's Custom Ride. Jeff and Ryan have settled into a committed relationship and things are just as hot as ever between them. Ryan has come to think of Jeff's daughter, Anna, as his too and there is talk of him moving in with them. It's Christmas and all the presents are finally under the tree. All's that's left is to seal the night with a very special, private celebration. So much lovin' going down in the hols. This was a sweet little read -- it's good to visit with these two guys again and I hope we'll be hearing more from them.

Sadonna says

Cute followup Christmas story about Jeff and Ryan that takes place after Custom Ride.

Noughty says

short sequel

orannia says

Three and a half stars. Kaetrin's review said what I thought perfectly :)

Plainbrownwrapper says

This is a vignette-type sequel to Custom Ride, taking place on the night before Christmas Eve. It's mostly just a setup for sex -- one partner is doing some last-minute shopping at the mall, and the other partner waiting at home calls to tell him to hurry up and get his butt home -- so he does. ;-) The sex scene in this one is pretty hot, and interestingly includes switching within the single scene. Also, Mitchell manages to efficiently recap a good bit of the emotional drama and history from the original story within just a very few pages. A pretty good snapshot of "after the HEA" if you've already read Custom Ride.

3.5 stars, not quite good enough to round up to 4.

Kristie says

Okay, this helps. I still want more.

Asynia says

Short, sweet and sexy continuation of Ryan and Jeff's story. If this had been at the end of the first book I would have given that one five stars.

Christina says

3.5 stars

Mopest says

3.5 stars

JustJen "Miss Conduct" says

Nice addition to the Jeff and Ryan story.

Aniko says

4.5 stars

Kaetrin says

3.5 stars, rounded up.

What would have been perfect is if the gap between Custom Ride and Custom Christmas was filled in with chapters. This little story meant that I knew the ending (yay!) but the in between would have been full of angst and sexy goodness.

This story gave me the ending I wanted but as it was only 10 pages long, there was still a large gap in the middle. Reading about Ryan, Jeff and Anna's journey to the HEA from the end of Custom Ride to the beginning of Custom Christmas would have made me a very happy girl. Seeing it summarised in a few sentences was just not as satisfying. I did however find out what Ryan did for a living, something that was strangely absent in the main story.
