Dale Earnhardt, Jr.

Geoffrey M. Horn

Dale Earnhardt, Jr. Geoffrey M. Horn

This high-interest/ low reading level series gives readers an exciting, close-up look at some of today's hottest sports stars. Each book takes readers behind the headlines to reveal not only the early lives and inspirations, but the hard work and determination that got these young stars where they are today.

Kelly Thevenot says

This book is a biography about the life of a nascar driver. This book could be incorporated into a lesson about athletes, biographies or sports. The books gives facts about the life of racecar drivers and shows pictures of cars and other drivers. This book also describes the life of Dale Earnhardt, Jr.'s father who was tragically killed while driving in a nascar race.

Elizabeth says

Reading this one with my Dale, Jr. fan! :)
