Aoyama Gosho; **DETECTIVE CONAN** [Meitantei Conan #53]

e/read online; genre: { manga, mystery, shounen }; shelves: |comics, GN, **manga**, manhua, manhwa|

General Synopsis:

**As mentioned above, I am going to write a proper review for this soon, but I have a few books ahead of this one in the queue, so I cannot stop reading DC NOW! That's sacrilege. I have decided to read all the chapters available up to now (we are almost to 1000!) As you can see, I am totally fangirling over here and I don't care, because this is one of my favorite manga series, ever! But all of this aside, there are a few things I wanted to list so I don't need to go back and look everything up when I do finally sit down and write my fangirl review. ↗?**

V.53, includes Files 544 - 553

**DO NOT** click on the spoiler link if you don't want to read all the cases in this volume, because it will ruin it for you. On the other hand, if you're a fan like me or are looking for a certain case (and please note, these are how I have set the cases), etc. click away, that's why it's there.

(view spoiler)

Another spoiler link, so don't click if you don't want to ruin this manga. I am going to include the characters introduced or as the series continues are in this volume. Personally, I think us **DC** fans love certain characters more than other (yes, Heiji, I mean you!), so sometimes when we are re-reading this series (like all the time!) you might wish to start at a specific case or start when a certain character is involved.

Characters in this volume: (view spoiler)

Personal Opinion:

**#1, I never call this CASE CLOSED. If you do, you're not a true fan of this series, so don't even bother reading my review or my personal opinions. I'm sorry if I offend you, but you offended me first by telling me you want to read CASE CLOSED or you just love Jimmy.**

**#2, as you can tell by #1, I read this online. I would never waste my money buying a manga series in english that cannot get the name correct and mess up the main characters to make it appear more "ENGLISH." I am so happy I don't run a blog and this isn't a review on Sailor Moon, #1, because I have a huge soap box tirade against DiC. I also don't think there is anything against reading something online. Comics, which is what manga are, are meant to be read and shared and sometimes paying over \$10 is too much in my opinion. Plus, I read the newest chapters as soon as they are released from Japan, because I would never miss a release of DC. So this is my personal shout out to you translators from me, Thank You!**

Baca Conan lagi setelah lama ga baca.

Hasil minjem sama temen yang koleksi nih, pinjem 53 - 57 sekalian.

Kenapa komik ini semakin tipis ya? Kertasnya kah? Apa emang jumlah halamannya emang berkurang? Malah harga ga mungkin turun kan ya?

Kasusnya yang bikin penasaran tentang gerombolan serba hitam ini.

After ~~many~~ a few boring cases, it's good to see something interesting!

This volume had it all, Kaito kid, Black Organization, FBI AND two of my 2 new favorite characters! Akai being #1 of course, at this point I'm not sure if I still love Kudo the most because of him, you see I have a big crush on Akai.. The other would be Eisuke! I'm really interested to know more about his past and his ties to the Black Organization. I don't think he's a bad guy, though. He might be related to Kir but definitely not one of them. But it's just a hunch. Well this volume was good for a change, I just checked the BO's appearances and luckily they're quite often between chapter 550 and 600! Yey! It's to be expected with Kir being held hostage. Speaking of which, her loyalty to the black organization is quite impressive, why? You'll find out in this volume!

### **Gayatri says**

The first case was astonishing, because for once, Kaito Kid was not there to steal, but to prove his truth. It was fairly obvious that he was not related to the murder, but the way he helped Conan with the paper and glass trick showed his amity. The reveal - that the set comprised 3 pieces than 4 - was the most surprising bit of this case.

The next case - the disappearance of Miss Kobayashi - was absolutely awesome. Her plan to get the two students - Maria Higashio and Takuma Sakamoto included in the class was brilliant! I, too, was drawn into it.

The Giant Hammer case was good, but what was shocking was Eisuke's resemblance to Kir and his indirect questioning about her. Eisuke had been a bumbling idiot all this while; although I thought he could be brainy, I never suspected any relation with the Black Organization.

The next case, which is incomplete in this volume, has Eisuke getting Conan and Mouri on the trail of a murderer, who is possibly Vermouth. I'm left to wonder...

Makin panjang serialnya ... Makin penasaran..;)

### **Mark Evans says**

Definite improvement over the last couple volumes and the Kaito Kid cases are always fun. Too many cases have hinged on freakin' duffel bags lately, however, and when you're binge reading it becomes super noticeable. Still a fun series and, as noted, the cases in this volume were improved over the last couple volumes.

Kasus singkat sebelum batal?

Dulu ketika membaca komik Detektif Conan satu persatu rasanya kasusnya pendek dan lama menunggu terbit komik selanjutnya. Sekarang ketika "running" membaca komik sekaligus banyak ada penghubung dalam komik ini yang saya lihat. Penghubung itu mengarah ke kasus selanjut atau kasus ke depannya apalagi mengenai pertempuran besar dengan orang-orang dari organisasi berbaju hitam.

53 kok gue agak lupa yah.  
Oh yang ada Kid ya. Kid nyamar jadi Takagi.

Terus ada kasus palu bercahaya besar yang dilihat anak kecil saksi mata di kasus pembunuhan vokalis apa gitaris yg lagi ngetrend.

Der 53. Fall von Detektiv Conan schließt an Band 52 an. Der bisher nur gestartete "Fall" eines Malers und seines berühmten Bildes geht hier erst richtig los. Und Kaito Kid mischt natürlich munter mit, auch wenn es diesmal nicht um einen Diebstahl geht!

Der anschließende Fall hat mir sehr gut gefallen. in Conans Klasse gibt es einige Neulinge und Außenstehende, sodass die liebe Lehrerin sich ein Rätsel einfallen lässt, bei dem die Kinder zusammenarbeiten müssen. Sehr schön gemacht.

Abschließend gibt es zwei Fälle, wo Eisuke auftaucht. Ich mochte ihn am Anfang ja so gar nicht, aber immerhin gewinnt der Charakter mittlerweile an interessanten Aspekten durch seine (ungeklärte) Verbindung zu Rena Mizunashi. Das FBI hat leider nur einen super kurzen Auftritt und auch die Männer in Schwarz bleiben nicht lang. Aber immerhin scheint er etwas vorwärts zu gehen. Das Ende bleibt offen und es geht im nächsten Band mit dem Eisuke-Fall weiter. wir sind gespannt ;)
