## **Dumbing of Age, Volume 4: Amazi-Girl is Always Prepared for Anything** David Willis

This book would collect "Year Four," spanning the four storylines that start on October 4, 2013 and complete on September 21, 2014. This includes new commentary, behind-the-scenes artwork, and new character designs into an 196-page tome with luxurious glossy paper all bound up into a sturdy presentation.

Also there will be a foreword by T Campbell.

Contains "The Only Dope For Me Is You", "I Was A Teenage Churchmouse", "Up All Night To Get Vengeance", "The Whiteboard Dingdong Bandit".

## **From Reader Review Dumbing of Age, Volume 4: Amazi-Girl is Always Prepared for Anything for online ebook**

### **Shannon Appelcline says**

Once again, this volume felt like it was treading water at times, descending to pure humor. However, it's also got excellent, game-changing plot lines for Amazi-Girl, Billie, and Ruth, and they make the volume well worth reading.

---

### **Bert says**

This daily webcomic has just finished the last storyline of its fourth book, and I have to admit to being slightly less charmed by this volume, especially the overload of Amazi-Girl. The final story ("The Whiteboard Dingdong Bandit") also felt way to flimsy and predictable, and Willis' Slipshine excursions aren't highlights either.

---

### **Nina says**

Hahahaha no this webcomic hasn't taken over my life why would you say that
