Anthony Gibson says

Great book, can change the trajectory of your life.

Armen says

Easy reading

this is good for people who just started reading motivational and self development books. I was expecting more but it is ok.

James Marsh says

In this book, Vic Johnson distills principles from various leaders and achievers in various fields. You won't find any surprise revelations, but what you will find is much solid and specific advice laid out in an easy to understand way. Highly recommended.

Camille says

Such honest advice!
