Margaret Chind says

First thoughts: When I saw this Great Outdoors Bible for Kids coming in paperback I did not expect it to be so small, but then maybe that's a good thing for the kids on the go this summer or any time. It could go right in a pocket possibly or any bag.

As the weather starts to cool, do you know any kiddos with camping plans this year? Quiet time around the bonfire might be when God chooses to reveal himself through scripture in mighty ways. This little paperback will go anywhere with its tiny red-letter font. There is even a presentation page for this gift to get the adventures started. Inserts throughout provide plenty for devotion or pondering thoughts.

Thanks to Zondervan.
