*Out of Many* is a coherent narrative of American history that offers insight into how diverse communities and different regions have shaped America's past. The text reveals the ethnic, geographical and economic diversity of the United States by examining the individual, the community and the state and placing a special focus on the country's regions, particularly the West.

The updated edition features new and expanded coverage of a wide variety of topics in addition to MyHistoryLab tools that connect the text to interactive online learning tools to bring U.S. history to life.

good book

---

**Rachael says**

if you can't use your class textbooks towards your reading challenge then what's even the point of college

---

**Kayla says**

Got to read this for school so might as well log it for a book towards my goal, it's taking up so much reading time anyways.
