Society shunned the base-born rogue. Matrons whispered behind their fans about his sensual exploits. Young ladies secretly dreamed of his intimate touch. No one expected Drake Wilder to force his way into the closed ranks of the nobility-by coercing a very proper lady to the altar.

To save her family from ruin, Lady Alicia Pemberton agrees to wed the scandalous owner of a gambling club. She insists upon a marriage in name only. But Drake has other plans for his lovely, high-born wife. First, he will use Alicia to exact revenge on the father he never knew. Then he will work his scoundrel's charm to seduce her into his bed. But Alicia isn't the meek, submissive wife. And Drake soon finds himself in peril of losing his heart...

Lack of chemistry between H/H, heroine is so annoying and a little bit boring.

Deliciously entertaining - this was my first historical romance and I loved it immensely. The characters were witty, clever and very sexy :)

A very pleasant, well written, highly illogical read, but totally satisfying for the Historical Romance addict in me:) I just needed something light and Happily Ever After promising, and it delivered on all fronts:)

Nice, nice, very nice.

I know the main couple was Drake-Alicia (and they were lovely!) but James-Sarah was more interesting to me.

Lady Eleanor was so cute, poor thing.

Who could expect the infamous Drake Wilder would be the real heir. I was deep into reading this and didn't expect that Alicia would go into putting herself in to a situation that her brother hates.

What shocked me the most was when Alicia told Drake that she would have herself as Drake's mistress. And even telling him that she's untouched. What I do find quite astonishing was to know how Drake became the rightfully heir besides his crippled half brother.

There's no part in the book that says "ladies secretly dreamed of his intimate touch". Maybe just his wife.

The story line is great though :)

I really enjoyed this book. The characters were all enthralling and the plot was amazing. Too bad the father had to die, but the likelihood of him accepting Drake as his son without questions being asked of his character made it slightly acceptable. Drake and Alicia hit off amazingly and it went on to the end. I really see this as a must read.

#### **Seducida Por Un Canalla**

##### Argumento:

La sociedad rechaza a ese bastardo inmoral salido del arroyo. Las señoras, ocultas tras el aleteo de sus abanicos, cotillean sobre sus mas famosas conquistas. Las jovencitas sueñan en secreto con sus caricias. Pero nadie espera que Drake Wilder se abra camino hasta lo mas encumbrado de la nobleza, arrastrando al altar a una autentica dama.

Para salvar a su familia de la ruina, lady Alicia Pemberton acepta casarse con el escandaloso propietario de una casa de juego. Insiste en que sea un matrimonio puramente de conveniencia. Pero Drake tiene otros planes para su adorable esposa de alta cuna. Primero utilizara a Alicia para vengarse del padre al que nunca conoció. Despues pondrá en juego todo su encanto de seductor para atraerla a su cama. Pero Alicia no es la esposa débil y sumisa que el había imaginado....y, repentinamente, Drake se encuentra en peligro de perder su corazón.

Es bueno y entretenido... !!

I was pleasantly surprised by this novel. Normally, revenge trop turns me off but I liked the characters and the story development.

#### **DESAFÍO HISTÓRICO: S de Seducida por un canalla (2/6)**

Continuando con mi reto de históricos, encontré esta novela que según un par de reseñas los protas eran muy *cute together*. Me animé y lo leí. No era cierto, lamentablemente.

Es una novela muy de antaño. Su relación se construye con bases en el engaño y la mentira y la desconfianza reina durante el matrimonio hasta que en realidad la paz entre ambos es un bien más bien escaso. No soy muy fan de esas historias, pobre de mí, me gusta más las relaciones donde la gente disfruta de conocerse no que sufran por conocer la verdad del otro.

Drake me gustó mucho. Lástima que tenga que ser tan despiadado a veces pero su preocupación por sus empleados me pareció muy genuina. Mientras que Alice por otro lado es demasiado aristocrática para mi gusto.

This is same as in by Olivia Drake.

Lady Alicia is forced to marry the owner of a gaming hell, Drake, in order to pay back her brother's debts. Drake has picked her for revenge against his father, who refuses to acknowledge him as his son.

This is one of my favorites. While Drake and Alicia spark at the beginning, they are a great match. The supporting characters are all fun and interesting as well.
