Tara's Treasures Betty Elza

When young Tara moves into her new home, she wonders why the older neighbor next door won't greet her or talk to her. But Tara is persistent. When she sees the woman tending her beautiful flowers in the garden, Tara gets her attention and discovers her name is Zura.

Tara becomes a frequent visitor, and Zura shows her how to care for the garden by weeding and watering. During their time together, Zura shares special stories from her life and even gives Tara some of her treasures.

This picture book for children shares the story of Tara, how she comes to understand an old woman, and how a wonderful friendship blossoms within the flowers.

Jill says

Tara tries to understand why her new neighbor will not acknowledge her. It takes several discussions with her mother and visits to the neighbor before she understands the neighbor is deaf. The moral of the story is patience and understanding can develop into friendship.

Got this as a Goodreads Giveaway. Sorry but didn't like it. It looks really dated and I found the illustrations really sickly sweet. The story is ok.
