Oyy çok tatlı?yd?n?z siz yaa. <3

?irin tad?ml?k bir hikaye. Ke?ke daha çok bölüm olsaym??. *-*

Ari says

AWWWWWW I LOVE IT!!!

and this is my fave scene ♥_♥

blurting "ILOVEYOU" in the middle of fight...wellll...that's sweet ♥_♥

and by the way, the guy in my avatar... it's him!!!

M says

love it! :)

This was so good. Better than I expected.

What I loved so much about this was three things. 1) - We actually had a storyline that didn't become secondary to the romance.

2) - The romance was freaking adorable. Also it was slow burn!!

3) - The characters bisexuality was actually acknowledged!

- It was just adorable and a great read. Looking forward to volume 2.

Quite good story...reading this stuff...being a journalist myself...hahaha xD

Ririn says

HILARIOUS.

I love it that even after they're dating (Onoe isn't so sure whether they actually date tho XD) their dumb interaction doesn't change much.

Onoe claims that Kabu always treats him like shit and when he's being gentle he's disgusting XDDDD dumb boys *still rolling on the floor laughing*

Hikaoru says

Jealous of your colleague is a thing...hahaha, of course it is.

The thing is, we tend to feel that we'd do better work and the world is out to get us but for real, it's not. We just have to do better and sometimes they can teach you stuff too. Or perhaps, what not to do.

The one-sided rivalry is so cute.

Danielle Chambers says

Cute story. Both characters are likable. I'm glad there was an actual story and it didn't get pushed to the side for the romance. There was definitely some dub con there, but for the most part it felt like Onoe had the choice to stop Kaburagi if he really wanted to. It seemed more like Kaburagi was pushing Onoe out of his comfort zone into what he really wanted. It maybe could have been handled a little better seeing as Onoe was still coming to terms with liking guys and it was his first time with a guy. I'll definitely check out volume 2 though.

Sherry says

I really like enemies to lovers storylines, so I was pretty sure that I would enjoy this and I wasn't wrong. The story is mostly told from Onoe's POV so Kabu's love confession came a bit too sudden for my liking.

Obviously Kabu cares for Onoe, he protects him and is worried for him but still... And a bit more UST would've been great *hehe* I guess I'm just being too greedy here. Overall this was really what I was expecting and I'm looking forward to volume 2 (^^)

What I didn't like at all was that in the German translation they used a Berlin accent I think it was, to show that the characters were talking in Kansai dialect. *argh* I hate it when they do that. They could just put an asterisk next to the text and say that they were talking in a dialect in this scene. I remember from the time when I was still reading it that they did the same thing in Detective Conan with Heiji's Osakaben and even though I had no idea about different Japanese dialects back then, it really got on my nerves because it just sounds ridiculous.

This is one of those mangas that I tend to get from time to time via Edelweiss in exchange of my thoughts. And my thought is, I liked it, but it was not original... you can see what the plot will be just from the cover, so yeah... cute but predictable.

Thanks for reading my thoughts!

When I attempted reading this for the first time, I didn't get past the first chapter because the bickering was too much for me. But recently I read a lot of other great manga by Isaku Natsume, so I decided to give it another try. And once I got past the first chapter, I really liked it.

madamada-chan says

A very funny story, and the couple is so endearing. I never get tired of reading about them!

The characters are both interesting as individuals, but they're so different they keep clashing. And oh, the things these two get themselves into (laughs).

Very cute art, and really great story. As expected from Natsume Isaku-sensei ♥
