## From Reader Review ????? 20 [Shingeki no Kyojin 20] for online ebook

**Paula says**

[Armin Titán (hide spoiler)]

---

**Chelsey says**

I'M SO SAD RIGHT NOW!

---

**Sophia Gibson says**

Spoiler alert! Read at you own risk!

This manga is getting more are more interesting! Though the author is visibly getting better at his facial expressions, (though sometimes the characters look grotesque and strange at times) though on goodreads the manga only goes up to #20, I'm currently on #52. And please, if you watch the anime, I would recommend that you would read at least the manga that is right after Annie is captured and turned to some kind of crystal.

Like most of you, I hate spoilers.

So, keep reading my fellow Titan lovers!

ps.- (season two of the anime is set to start about April, if the manga has enough info. to get a good kickstart to the anime story line. Can't wait!)

---

**Sloane says**

I literally all 70 chapters of Shingeki no Kyojin in one day. I am soooo keen for the next Chapter to come out OMG!!!

---

**Monsour says**

Thank god for the **Thunder Spear**

and Levi's badassery

---

## Raeleen Lemay says

That ending broke my heart!

---

## Lix says

I will update this review as I read it. Chapters will be released every month. This review may or may not have spoilers, please read with caution.

-----

### *Chapter 79: Perfect Game*

**Rating:** 5 stars

Suddenly I feel like Hajime Isayama really wants to end the manga with humans being annihilated. I'm actually down with it but it pierces through my heart. This chapter was so intense in a way that the humanity is on the brink of losing the war against the titans. What are they going to do in that situation? Armin doesn't know. Jean doesn't know. Eren doesn't know. I don't know. Nobody knows. Let's all pray that Hajime Isayama gives redemption to our heroes.

P.S. Dear bestial titan, tell me your secrets.

-----

### *Chapter 80: The Nameless Soldiers*

**Rating:** 5 stars

My heart is aching. Some people may say the chapter is boring because of the lots of talking, but for me, it's very vigorous. They're desperate. They don't have another counterattack in this war and they are left with other choice, specially when their plans failed and the (view spoiler). Somehow I got this feeling that the end is nearing. There's a part of me that wants them to win but there's a part of me that supports the mangaka's intention of ending the story with the humanity being annihilated.

-----

### *Chapter 81: Promise*

**Rating:** 5 STARS!!!!

My fingers felt heavy as I write this review. I lost all of my energy trying to stay sane while I recollect my thoughts about this chapter. What happened aches my heart. This freakin' manga is super painful, but I still love it. I'm cheering for and encouraging Levi with whatever he will do, I believe he will keep his promise and (hopefully) not die. To Eren's gang, get your shit together and finish your mission already! Good luck to all readers. Let us all pray that the mangaka will be merciful towards our beloved characters.

-----

### ***Chapter 82: Hero***

**Rating: 5 STARS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!**

I'm still shaking while making this review. OH MY GOODNESS. I CANNOT BELIEVE HAJIME ISAYAMA DID THAT. I mean, knowing his original goals for the manga, it's not impossible, but to do that in this chapter..... IT FREAKIN' HURTS. I still couldn't move on from it. I gave 5 stars to this chapter because it is genuinely good: the dialogue, the action.. EVERYTHING! I love this chapter so much and I won't forget about this.

-----

---

### **Manveer says**

[ I liked Armin :/ This hurts. Hurts so bad. Why did he have to be the only one? Well,I kinda had the feeling this was going to happen. I haven't read the next two chapters (which are already out), so I don't really know if there is some resurrection shit going on. Anyway, hopefully this didn't happen for nothing. Kill those damn bastards. (hide spoiler)]

---

### **Rob says**

#### **Story**

It's getting harder to just read 4 chapters and stop. It helps that I'm largely caught up to what's being published in Japan. Things are getting pretty crazy at this point. Some major things happen in this volume.

With the second season of the show finally announced, I'm already looking forward to season 3. There is no way they can wrap things up in just two seasons, especially without the manga being finished yet. It's starting to feel awfully close though.

I can't wait until the next few chapters are published so I can read the next volume. I may have to resort to reading each chapter as it's published soon.

#### **Artwork**

The usual here. The art has improved dramatically from the earlier volumes, but I still find the action scenes really hard to follow and kind of messy. Not as bad as it used to be, but not nearly as improved as the still scenes.

---

### **Grace the Book Queen says**

Oh my heart!! Another great volume that is packed with all the feels!! Everything seems hopeless, but maybe a plan that's formed just might work? Prepare your heart and feels cause this one will get to you! Plus, as always, it ends on a cliffhanger!! The next volume is coming out soon, can't wait to read it!

---

**April (Aprilius Maximus) says**

NOOOOOOOOOOOOOOO

---

**Kahveci says**

19 ve 20. say?lar maria duvar?n? geri kazanmak için verilen sava?? anlat?yor. Bu say?da yüre?imiz da?lan?yor, bol dram var.

---

**Lily says**

I am not okay.

---

**Sarah says**

No, I am not ok!

Yes, I am crying!

Everyone's dead and I can't handle it.

---

**fireS says**

FUCK U ISAYAMA!!!! FUCK U!!  
FOR GOD SAKE !!!!LET SOMEBODY ALIVE!!
