Billionaire Brothers Lucia Jordan

This is the first book in the 'Billionaire Brothers' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion with searing depictions of sex and emotion.

What do you do when your best friend sets you up on a blind date with not one but two gorgeous brothers? Rebecca has no idea what lays in store as she arrives at the bar to see two hunky brothers, Alec and Tristan Lloyd, show up for their date and are the stuff of sexual fantasies. Although Rebecca hasn't fallen in love since her last hurtful break up a year ago and hasn't felt anything close to physical attraction since, she finds Alec and Tristan's sensual magnetism impossible to resist. But what they are offering is way too terrifyingly exciting to consider.

Would Rebecca dare to give in to these forbidden urges – ones she'd never known she could feel? The two brothers are determined to use their double-dose of masculine persuasion to change her mind before the night is through.

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.

Linda says

This is a HOT but very SHORT story. It says it's book 1 but it's more like "Part 1" of a series! Which BTW I don't like!

T'was alright.

Becky says

Good series start

I don't normally care for serial books, especially that end in cliffhangers, but this one was good. It caught my attention enough that I will be buying the series to see what happens next. The reason for the 4 stars is simply because I dislike serials. I can't quite understand paying book prices for a few chapters. I would much rather have bought the entire book at once.

Des says

Once again, I was deceived by my desire for having a bookgasm. People keep saying for not judging the book by its cover and you can relate it to this book. I do not get my grande chemistry and not even experience the fireworks once I read this novel. The whole story even it's entertaining, the plot and things are so-so. Eh, I do not mind with the MFM or any stories that expose the promiscuous life in it yet please...make the story more exciting and create a character that doesn't seem so cheap...

Linda Martin says**Two are better than one**

Rebecca learns in this story that two hot alpha males are better than one, and it is hot!!!! Lucia Jordan writes hot and sexy like no other. I loved this book and look forward to the rest of the series.

Chanda Anderson says**HOT as HELL!!!**

This was so HOT I wanted to be Rebecca. I was able to feel myself in the scene. Good start I cannot wait to see what happens next.

Kelley says

This was a great short story. It was a little disjointed in the beginning but it worked up from there. I didn't like the way the story ended as it was a weird cliffhanger but looking forward to book 2.

Wendy says**4 1/2 Explosive stars**

Hell yeah! A sinfully HOT beginning to a series... the mind and body have been stoked by a red-hot fire...next book Please!

Caoimhe says

Oh wow is all I have to say. When I started to read this part 1 I thought I would be thoroughly disappointed with the story and wouldn't buy the next parts of it, as I have done before with other serials. But this one is wow... Exploding with sexual tension in the beginning and turns out of this world . The dynamics between Alec and Tristan as a dominants is unreal. Can honestly say I can't get my hands on the next parts quick enough to see how this Dom/sub relationship unfolds .

Billionaire Brothers Parts One and Two / Amazon.com

I thoroughly loved this book. I couldn't put it down, as with her other books. There isn't a thing I would change, it is inspiring and fulfilling. I would recommend this to anyone who dreams for a little more.

Maggie says

Steamy

HOT! Sexy men that know what they want and not afraid to go for it, I can not wait to read the rest of the series.

Janice says

This book was really good. It centers around Rebecca and how her friend Diane keeps trying to set her up on blind dates. After their last double date, Rebecca just wasn't into Jason and Diane wanted to set her up again, but agreed that if this one didn't work, she would back off for a while.

Rebecca is waiting for her date, when she is confronted by two very handsome brothers that turn out to be her date. She ends up having a really good time with BOTH of them and they move on to the guys' home. Tristian and Alec convinced her that she could handle both of them at the same time. She eventually wakes up to find herself blindfolded and tied to a bed. What will happen to her when that door opens?

This is a really short novella, with more parts to come -- 4 stars
