## Everyday Blessings Jillian Hart

When Aubrey McKaslin visited reclusive photographer William Corey, she found a man who had given up on life and faith. He said he was happy at his mountain retreat, but Aubrey didn't believe it for a minute. His eyes signaled a kindred soul, a man who shared her love of art and the outdoors. Spending time together awakened deeper feelings in them both, but could William trust in his faith and rise above his past?

### **Kate says**

Reading a Jillian Hart novel is like drinking a cup of hot cocoa: warm, sweet, cozy, and ultimately satisfying. I liked Aubrey and William's story, though I wish they had initially met under better circumstances. I suppose that helped set up the telling of William's backstory, though, which was important to understanding why he did certain things the way he did. My heart went out to Aubrey, who has (through no fault of Ava's) been overshadowed by her more outgoing twin sister, and felt very much the 'plain Jane' because of it. I'm glad that Aubrey, with William's help, was finally able to see herself as truly beautiful.

The story was interesting, though somewhat like the other McKaslin stories but not as repetitive.

This is Aubrey McKaslin's story, and it is very enjoyable and quick to read. William, the main male character, is a very creative, artistic person who has been very traumatized by loss, and he and Aubrey have much more in common than they ever thought possible. There is one editing error that may bother those who like to check Bible verses: One verse used in the story is I Peter 3:4, but in the book it is credited as Peter 3:5. It jumped out at me first because I knew it had to be either I Peter or II Peter. I do recommend this, especially if you enjoy reading about the McKaslin clan.

A beautiful story, that unfortunately dragged on way too long for me before finally getting the "admission of Love" between the main Characters. I was a bit disappointed that the Epilogue did not go a little further into their "happily ever after"

Twin Aubrey is up this time for some romance. William Corey has lost his wife and his motivation, can anything or anyone help him find it.
