Jsem tak ráda, že jsem si to znova p?e?etla! Tohle je naprosto brilantní dílo! <3 A to je i vid?t na tom, kolik jsem ?asu u této série strávila. A to nejen manga podobn?. Jako anime jsem to snad vid?la milionkrát a ani za tu dobu m? to nikdy neomrzelo. I když mám samoz?ejm? ?ásti, které zase tak úpln? ráda nemám, ale ty by se daly spo?ítat na prstech jedné ruky.

Kresba vypadala ze za?átku úpln? ot?esn?, našt?stí ze to od druhého volumka za?alo zlepšovat a od pátého volumka za?ala vypadat opravdu p?ekrásn?. A hrozn? se mi líbily ty zjednodušené postavi?ky. Ty dokonce vypadaly pom?rn? dob?e již od prvního volumka.

Misaki jsem si hrozn? moc oblíbila. Byla milá, kurážná, chytrá, dokázala p?iznat vlastní chybu, up?ímná ve všech ohledech a hodn? moc silná. A p?itom m?la i n?jaké slabiny, které si um?la p?iznat. Misaki je prost? úžasná. <3 Až na tu slepotu ohledn? lásky. Ale to má snad každá druhá hlavní hrdinka, takže to ani moc nevadí. Taktéž se mi líbila její ob?tavost pro druhé a to, že každého dokázala motivovat a zamýšlet se nad sebou.

Misaki spole?n? s Usuiem byli hrozn? moc sla?ou?ký pár. Hlavn? pozd?ji, když si už Misaki p?iznala své pocity k Usuiovi. Hrozn? se mi líbily ty momenty, kdy se ?ervenal i Usui, to bylo tak sladké. <3

Trošku Hodn? m? mrzelo, že se tam neobjevovalo více scén s Igarashim Torou. Scény s ním jsem naprosto milovala a mohla bych je ?ít stále dokola. Ke všemu zbož?uji, když má jakýkoliv charakter ten jeden ostrý zoubek, který je stále vid?t. <3 Vážn? byla škoda, že se n?které události s ním nemohly protáhnout. :(

Dalším mým oblíbeným charakterem byl Aoi. Musím říct, že jsem ho litovala za to, že s ním hold Misaki nikdy nebudu, chudá?ek malý. Ta jeho láska k ní byla opravdu sladká. Když o tom tak p?emýšlím, tak jsem se skoro po?ád musela culit a nic mi nemohlo zkazit náladu. :D

P?íb?h byl sladký, skv?lý a já si ho prost? užila. Nemám vyložen? nic, co bych tomu mohla vytknout, maximáln? to, že bych cht?la, aby se tam n?které mé oblíbené postavy objevily vícekrát, ale to, že se tam zas tak ?asto neobjevovaly, neubíralo na kvalit? p?íb?hu.

Akorát jsem si prost? nemohla oblíbit všechny postavy, což m? trochu mrzelo. Jako to by mi ani zas tak nevadilo, ale prost? tu bylo až moc postav, ke kterým jsem m?la neutrální vztah.

Obálky vypadají dob?e a hned když se na ni mrknete, tak víte, že na vás rozhodn? řeká roztomilý p?íb?h.

Hodnotím 94% Jazyk: Aj (d?ív?jší do?tení v ?j)

Das Fragen sich Misaki und Usui auch in diesem Band!! Diesmal machen sie einen Ausflug in ein Spa und endlich hätten die Beiden nun Zeit um sich zu entspannen, doch Usui hat schockierende Nachrichten für Misaki. Wie wird sie reagieren?? Und warum verhält sich Kwuga gegenüber Sakuya so merkwürdig, ist er etwa eifersüchtig??

Usui und Misaki sind auch in diesem Band wieder so niedlich!! Sie wissen Beide was der Andere fühlt, aber trauen es sich nicht wirklich es in Worte zu fassen, Usui versucht es von der witzigen Seite zu nehmen und Misaki kann ihm gegenüber nicht ehrlich sein!! Natürlich weiß Usui genau was sie wirklich fühlt und denkt, was zu richtig schönen Szenen führt!!

Kwuga uns Sakuya sind auch so ein niedliches Paar, er muss ihr bloß noch sagen das er sie mag!! Und natürlich darf auch Igarashi nicht fehlen, der weiter versucht sein falsches Netz aus Lügen um Misaki und Usui zu spinnen. Und wer ist der Geheimnisvolle Fremde, bei dessen Anblick Misaki an Usui denken muss?? Dieses Rätsel wird wie es aussieht erst im nächsten Band gelöst!!

Fazit: Maid Sama ist mal wieder super witzig, super niedlich und so gefühlvoll!! Ich konnte den Manga gar nicht schnell genug durchlesen und freue mich schon auf Band 12!!

This manga was interesting enough for me to read, but it didn't really draw me in. Sure it was funny and normal with everyday problems and yes i did download the anime, but i felt like something was missing, maybe it was just me that I'm used to reading other types of manga.

Misaki is a young girl who is called the demon president at school for being so strict especially with boys. But little do they know after school she goes to her part-time job as a maid at a maid cafe. Pretty soon the hottest boy in school so happens upon her in this outfit and starts going there each day. Nevertheless a relationship is formed going stronger each day between them for he likes this cute side to her. They come upon a lot of difficulties with their relationship, hiding at first then fighting to not be split up..

Lara says

Lots of silliness with someone following Usui around; Masaki decides to help catch him and get him to tell them why he's spying on Usui and enlists her entourage (Shintami and the Idiot Trio) in helping. I mentioned before that this manga is a lot like Special A--especially with the current storyline, which really kind of mirrors the situation with Kei and his family. Guess that's a common theme? Rich family disapproves of poor girl and uses ridiculous means to attempt to get son to change schools? Also there's the requisite hot springs story in this volume--ha!

sumpah, ini manga bikin nagih banget deh .

banyak kejutan, pertama igarashi tora said that he loved misaki, oh please. as we would believe that it was

truly from his heart . kedua, di part two-usui. yah emang look alike banget sih 2 orang itu, tapi bener2 2 different character, apalagi usui's brother ini berambut item, masih tetep cakep usui kemana-mana lah yaa :D Gerrard-usui's brother- datang ke jepang sma bodyguard-nya. nah kelucuan mulai tamapak saat dia balik ke london dan meninggalkan salah satu bodygardnya kalo ga salah cedric, tujuan pastinya masih belum ketahuan, sepertinya sih buat keeping on eye ke Usui. tapi yang bikin lucu dia mata-matain usui pake baju ninja, dan berkeliaran di sma seika :D selain itu dia juga hanya mengucapkan satu kata Nin-Nin -_____ -

La relation entre Usui et Misaki avance encore un peu plus, j'ai bien aimé le voyage. Par contre je trouve que l'histoire avance beaucoup trop lentement. Néanmoins la fin présage une superbe suite !

I must say, the bonus story in which every character had a gender swap was fun. It was interesting to see which personalities were able to make sense with the swap (Misaki, Usui) and which ones just couldn't (though, the others had such little swap-time that it was hard to tell...). I've always been a fan of swapping gender as a tool to tell if a character, especially female, falls into the gender stereotypes (see the Hawkeye Initiative for an example in art).

Anyway, the story itself seems to be flagging a bit at the moment.

I know, I know, its been a few hours since I wrote my last review but I couldn't help it! This manga is just too addicting that I can't stop reading. The only time I learn to have self-control is when I realize I NEED to update my status on Goodreads. Anyway, this was a great volume, it was fun and hilarious. PLUS, THIS IS THE VOLUME THAT I WAS WAITING FOR, I FINALLY GOT WHAT I WANTED!

I'm actually a hardcore otaku who likes maids more than having three meals a day. And I only read books related to maids. Also, I only visit maid cafes. Of course, I also collect maid figurines. I play games which feature female maids and it turns me on so much. Then I wear maid uniforms and jump in joy. I'll take my leave now.

If you haven't heard about this manga, I have said it 10 times already and this is my 11th. Anyway, this is about a girl named Misaki who is the school president of Seika High. She is also secretly working as a maid in a cafe. Well, it was a secret until Usui, one of the most popular guys from her school found out. Ever since then, her life changed and she has to deal with a bunch of different things and do stuff she hasn't done before.

FINALLY!

I finally learned more about Usui's background, it was cute at how he finally started talking about himself. It

felt so realistic when Usui was talking because he didn't know where to start. I found it hilarious. Misaki is the best, as the usual, she is strong but she wants to learn to become more feminine.

The side characters are all my favorite. I don't think I mentioned this in any of my reviews but I love the three guys who come to the maid cafe! They are hilarious the way they are so obsessed with Misaki but are not rich enough to buy as much as Usui. Yukimaru is awesome and Kanou is also awesome! Sakura is a great friend and Shintani is a great guy, I feel bad for him though. There are so many other characters and I love them too.

Misaki is so busy and Usui is always disappearing. I like how they are more and more open as the volumes go on and they explain how they feel about something. It makes me feel so relieved that they talk about their feelings! I love it so much, their relationship is the best. And Misaki is always worried about others which I love about her character. She is so honest and different from other girls, I see why everyone likes her.

There were so many surprises in this volume that I kept gasping from time to time.

Anyway, I highly recommend this to everyone who wants to try reading manga, this is perfect! And if you have already read a few manga, I highly recommend this one! If you watched the anime and want more, this is perfect and exactly what you need! I highly recommend it and I hope you enjoy it as much as I did! I'll be off to the next volume now!

Maud says

Sometimes I'm a little worried about the violence in this series...
The gender bender oomake was wonderful :)

DonutKnow says

3.5. This is totally biased and something may be wrong with my personal view of them but Misaki and Usui are too perfect for each other- ugh. Also, I don't think I can handle her over-the-top tsundere sh*t, but maybe

Usui goes for that, I don't know. I'm sorry if this sounds rant-y, but I just want to know what happens in the end, and of course these two are still going to end up together but we just getting through the angsty stuff with- of course- the interference of upperclass know-it-alls who have nothing else to do than meddle in other people's love lives. Ugh. :P

Also, was Tora actually interested in Misaki, or was that just one of his many ploys?

A LOOK IN THE USUI FAMILY'S PAST-Takumi eventually gets around to talking about his lonely childhood, how he used to have curlier hair & be less talkative after the perverted outer-space alien stuff AWWW MY BABY!! & she asks if his parents don't worry about him & he says he doesn't know, never having met them :O his mom passed away at his birth so his dad's probably alive & he was taken in by the rich relatives of his mother's side & his mom wanted to travel, even after being married & then she fell in love with a Japanese man & had Takumi - so he's an illegitimate son-& his mom was half-English & half-Japanese & Takumi's dad was Japanese so Takumi's like 3/4 Japanese & 1/4 English LOLOL & he was raised in secret AWW & he was raised till a certain age & then the family cut off ties to him & now he lives alone & chose Seika high randomly & the family's afraid he'll accidentally expose their secret so they support him & don't let him get part time jobs- & THEN MARIA GOES TO SEE IGARASHI BITCH I KNEW IT-& Misaki finds Sakura who likes Kuuga & for his birthday, she got tickets to a hot spring but felt awks about buying 2, so she bought 4 tickets & can't even return them & INVITES TAKUMI & MISAKI ALONG LMFAOO - so they go to the hot springs Kuuga's being a dipshit-& anyway, after Kuuga runs off, Misaki catches him & they go back & Kuuga & Sakura talk & Takumi & Misaki r giving each other foot massages LOL & she asks why Igarashi & Maria are so interested in him & he says it's b/c they want him to transfer to Miyabigoaka & Kuuga & Sakura r wondering why Misaki & Takumi aren't together officially LOL-so the hot spring trip is over-so at the maid cafe, there's a blog & Misaki's journal entry was really boring according to Aoi & Yukimara (such a cutie) wants to be more manly & gets Kanou to try to hypnotize him lmfaoo - then President Igarashi invites all of Maid cafe to Butler's cafe & anyone who participated for a position at the butler cafe so Takumi says he isn't going but Misaki goes with her coworkers from Maid cafe & she doesn't tell Usui that Igarashi sent her all these flowers... & anyway, Yukimara & Kanou r there too & Igarashi takes her to the 2nd floor & introduces Misaki to some people & she returns the dress he sent her LOL & he says he feels like he can be himself around her & ASKS HER OUT WHATT & Takumi's listening outside the door (wonder if Igarashi knows that...) & HE TURNS THE CONVO TO USUI & SAYS THEY'RE WORLDS APART. Fuckface. & it kinda got to Misaki :\$

THEN THERE'S A SPECIAL WITH MISAKI AS A GUY PRES & TAKUMI AS A GIRL LMFAOOOO & Pres Misaki-kun is trying to get the girl students to behave & dress properly haha & Takumi gives Pres a hug hHAHAH & this time it's Misaki's secret working at a butler shop HAHA & Aoi's pretending to be a boy instead of a girl HAHAAA & girl-Takumi finds out his secret ofc & Misaki's sister Suzuna is a brother & it's her mom who left this time, not her dad hahah & girl-Kanou LOL & Hinata's a girl in skirt LMFAOOO & he's still there looking for his first love Misaki HAHHEHEH & it ends with Takumi dragging Misaki away to tell him she's reached her limit & getting intimately close LOLOL

A chapter from Suzuna's POV (Misaki's little sis) & the prize-winning club she has at school & Hinata comes over for dinner & they do their weird hamburger game thing hahah & she thinks he's the same with his food love but he's also handsome - maybe Hinata & Suzuna could end up together? & anyway, she wins this heart shaped frilly apron thing for Misaki to wear while cooking, saying HE would like it AHH
