Naughty or Nice Vi Keeland , Jodi Ellen Malpas , Penelope Ward , Emma Chase , Marie Force , Corinne Michaels , Susan Stoker , Susan Stroker

Six new holiday short stories from six New York Times Bestselling Authors.

Sexy Scrooge by Vi Keeland & Penelope Ward

The last thing I needed was to share an Uber with Scrooge—a cocky lawyer on a snowy Christmas Eve. It was bad enough I was on my way to court for the gift of eviction. Although maybe today wouldn't turn out so bad after all. The Sexy Scrooge and I started to connect as we trudged our way through a storm. Our ride was about to end. But would I ever see him again?

Big Baubles by Jodi Ellen Malpas

Shannon's last-minute Christmas shopping trip quickly goes from tedious to thrilling when she meets a sexy stranger in Harrods. He's irresistibly cheeky, hot as sin, and he seems to want to play. So when he sets Shannon the challenge of completing her Christmas shopping before he completes his, she can't help but accept. And she plans on winning. But the sexy stranger plays dirty on the shop floor. And even dirtier in the women's changing rooms...

The Naughty List by Emma Chase

Evie Sanders has a secret. She's in love with her boss, Jace Winters, the hot as hell, hardworking owner of the best bar in the snowy, ski resort town of Alpine. She thinks Jace barely knows she exists—that to him, she's just an employee. But at this year's Christmas party, bells get jingled, stockings get stuffed, snow—and other things—get thoroughly plowed, and Christmas wishes (even the naughty ones) just might come true.

Joyous—A Quantum Christmas by Marie Force

After a remarkable year that included a wedding and a big Oscar win for Quantum Productions, Hollywood superstar Flynn Godfrey wants to give his wife, Natalie, and closest friends a Christmas they will never forget. But when best-laid plans go awry, Flynn will learn that sometimes the season's greatest gifts are those that can't be bought or wrapped.

A Holiday Lift by Corinne Michaels

Holly has had enough pain around the holidays to last her lifetime. All she wants is to focus on her work. All of that becomes impossible when she's stuck in the elevator with her co-worker Dean. She can't avoid his intense stares, deep voice, and scent that drives her crazy. Will the holiday season bring them an unexpected lift or will they come crashing down?

Best Christmas Ever by Susan Stoker

When Chris and Sienna meet during an accident in Texas, the perfect strangers soon discover they're inexplicably linked...in more ways than one. Coincidence? Perhaps. Or maybe the makings of their very own Christmas miracle.

Oh, a tiny little thing?! I didn't read the Marie Force book, because it's part of the Quantum series, which I haven't read - and it features ALL the characters from all the books. I don't like to read a book about people who all have had their HEAs already. I want to read those books first, but since I didn't yet with this series, I couldn't read the short story! I'm very weird in that I have to read a series in the right order. ? Maybe one day I'll have enough time to read that whole series!

4 STARS - Sexy Scrooge by Vi Keeland & Penelope Ward

Meredith is having a bad day. But that changes when she meets a sexy lawyer in a shared Uber. This was funny, sweet, the characters had beautiful chemistry but the ending was so rushed. Super cute, though, I surely wanted to know more!

4.5 STARS - Big Baubles by Jodi Ellen Malpas

Two strangers meet in a last-minute Christmas shopping trip. They challenge each other to see who finishes earlier. What they were not expecting were the instant sparks between them and the sexy hero definitely wants to win so he can date the heroine. Entertaining and sexy, and again, I wanted more!

5 STARS - The Naughty List by Emma Chase

As you can see with my rating, this was my absolute favorite story in the anthology. A sweet and super sexy novella about two friends (who also are boss and employee) who have been attracted and loving each other from afar for a while. Everything changes when Jace discovers Eves' naughty list and things get HAWT! So, so HAWT! Sexy, emotional and with a great ending. I would definitely love to read more about these two!

4.5 STARS - A Holiday Lift by Corinne Michaels

Probably my second favorite of the stories I've read. Holly and Dean are "enemies" in the workplace but they shared an unforgettable drunken night. Things get interesting when they get stuck together in the elevator. They are forced to talk about what happened and the feelings between them. Chemistry was on point and the emotions run high on this one. Again, I wanted more!

This collection was a great way to get ready for Christmas. I really enjoyed the 4 stories I read and I am so glad I decided to check this anthology. I would not complain if the authors decided to give us more about these couples! Definitely check it out, guys!

A Christmas gift by some of our favourite romance authors:

BookFunnel link: <https://dl.bookfunnel.com/jfgl8qwasq>

1. Sexy Scrooge by Vi Keeland and Penelope Ward - 5 stars

Absolutely loved it! Meredith finds a new boyfriend on Christmas Eve when they share an Uber taxi.

2. Christmas Baubles by Jodi Ellen Malpas - 5 stars

Absolutely loved it! Shannon finds a new boyfriend on Christmas Eve when they both try to finish their last minute shopping for gifts and they almost have sex in a changing room.

3. The Naughty List by Emma Chase - 5 stars

Absolutely loved it! On Christmas Eve, Evie finally has sex with her boss with whom she has been secretly in love for years.

4. Joyous, a Quantum Christmas by Marie Force - 3 stars

I could not really connect to the story or the characters. Maybe because I haven't read the main series, Quantum.

5. A Holiday Lift by Corrine Michaels - 4 stars

Cute love story. Holly and Dean are stuck in the lift. The problem is that they have history together which did not move forward and moreover Dean is Holly's rival at the company. Maybe the time at the lift will make things clearer between them.

6. Best Christmas Ever by Susan Stoker - 4 stars

Very good love story. I loved the fact that two mature people will be involved and they both have grown up children. A car accident somehow creates a chance for their mutual happiness.
