## **She Got It 2: Gotta Get It** Nicole Jackson

Falen, Tino, and Toya are back! It's been nearly four years, and everyone's lives have taken a turn. After surviving traumatizing events in their past Tino and Falen have finally taken a legitimate stab at being together. Their relationship is explosive, yet endearing. The two have genuinely found solace in one another, but all good things must come to an end. There are several people who hate that Tino and Falen have united, and will stop at nothing to end their relationship. Will Tino and Falen's love be strong enough to survive the viciousness of the haters, and will they fold under pressure?

Toya is still in the game, hustling better than most men. Her bank account is stacked, while she feels a deep sense of emptiness in her love life. In a world dominated by the opposite sex, she seems to intimidate most. She begins to believe that love just isn't for her. Then enters Tino's cousin, Keesy. In true Wiltz's fashion, he's arrogant, flashy, and fly. A true reflection of Toya. The two are so much alike that it's an immediate clash. Still, the chemistry is off the Richter scale, but there's one problem...Keesy's girlfriend Skyy. Will Toya finally find love? Or will she find herself in a tangled web of lies and deception? With all the uncertainties in the atmosphere, there's still one thing for sure. Toya and Falen both carry hustlers' spirits, and they most definitely gotta get it.

### **Monieka Williams says**

#### **Wow!!!!**

I can't believe I'm just now reading this!!!! Omg those books were amazing! Can't wait to read another series by this author!!!! ?

---

### **°BeauutiLovve says**

I need more stars....This was gr8.

---

### **Mar Lo says**

#### **Awesome**

I loved this book. I was upset when I thought Tito and Falen were about to break up. They make a great couple.

---

### **Shakeria Sharie says**

Love, love, loved this book. I love some Tino & Falen. I was so happy That Toya found somebody. Keesy is everything! This book what definitely worth the wait! Nicole Jackson books is worth everything that i spend on them. This made my Christmas!

---

### **Christine mccullar says**

#### **Them cousins**

Them cousins know they ain't no joke. The twist and turns n this book. I loved Tino and Fallon but they where both pissing me off. I can't believe all the things joe did. I loved toya and keesy together. The part with Nina was funny...that what she get

### **Nannette Smith says**

#### **Where's the rest**

Man where is the rest of this story it's incomplete u have written books longer than this for less the price and they where hold stories I have all your books and I was very disappointed in this. I have been waiting for this book and I don't even get a story just a part very sad can I get the rest now and not 3 to 4 months.

---

### **Kris Danielle says**

#### **SHI2**

The couple I watched grow is back again and better than ever! I love Tino and Falen! They've been they hell and back and nothing and no one comes between the love they share. Great job Nicole!

---

### **K. Yvette says**

#### **Great Series...Don't Miss This One**

I have yet to read a book by this author that I didn't love! Perhaps it's her penchant for tying past characters, and stories into new books. She consistently keeps it fresh and authentic.

### **Monica White says**

Definitely a Ghetto Soap Opera

I really appreciate that this was a complete story with a satisfactory ending. I wish I could have given 5 stars; but with the introduction of all these little kids I wish the parents would have grown into better role models. Falen has been smoking 'dro for years and is still maintaining. I understand the concept of glorifying those who make money hustling; but I'm seeing drug use glorified and domestic violence justified. I swear I thought Keesy basically raped Toya.... I can't appreciate how Falen reacts to the kids. The story line is a series of jaw clenching moments of bated breath followed by laugh out loud as if you actually know these ppl moments; but what does this instill in our young ladies? We, as adults, don't admire these types in real life, but look down on them and question if we need to have Child Protection involved. (I know, it's just a story, but it didn't FEEL like fiction, hence the 4 stars.) I'd have been forced to give 5 if it weren't for so many spelling errors and typos. Additionally, the stereotypes were exactly what one would have expected: Light skinned beauties and angry black women.

### **Gina Pierre-paul says**

**enjoyed this !!!**

I'm in love with keezy and toya, there relationship was great I wanted more from them . I wish more time was spent on development of those characters . Tino and falen was a hot mess all they do breakup to make up . There was a few errors but for the most part good read .

## **Gloria Lewis Griffin says**

### **SGI 2**

Ms Jackson you did it again. It was good reading about characters from your other books, especially Aaron, since I am still waiting to find out about her and Keyon. Keesy and Toya remind me so much of Jay Rock and Paris in their early stages. Why is it taking so long to get your books out. I was very disappointed in Falen and Tino, but what don't kill you will make you stronger. This left situations open, but please don't make this a Five Part Series. Definitely recommended.

---

## **Kay says**

What can i say besides she freaking did it AGAIN!!! I didnt want this book to end but im soooo happy with the way things ended!!! And how all the different characters made appearances tht was genius!! Miss Jackson a true banger AGAIN!!

---

## **MONEYMAMAMIA says**

### **Loved it!**

Just when you think things are going right for Falen and Tino, several curve balls are thrown their way and their union is tested in more ways than one. But eventually their love superseded it all. Because they vowed to love each other no matter the weather. When I say this author makes you feel everyone of her characters....Excellent read!

---

## **Csummerrein01 says**

### **Damn Nicole**

Damn Nicole, did the damn thing in this SGI2....y'all know I've been all dibbs on JRoc and Tino... waiting for her next book her work is always a page turner and keep doing your thang gurl.... and I will always support your work and stay a fan of your work

---

## **Rose S. Chivanga says**

### **She did that**

5 stars because this shidd is the bomb and I'll tell any and everybody about this book it was really that dang good I hope it's a part three I need them to keep coming it's been a while since I read a book that I didn't want

t to put down I mean when I say this book put me to sleep it did just that and I woke up 4 hours later ready to read some more
