Jill Hanson says

This book has all kinds of creative things in it.i just had no idea of the things I could make.my sister loves to make things.i thought of her when I entered the giveaway and I won. ? thank you so much.

Stephanie says

I won this book as a giveaway. I was surprised when it arrived, because I had not seen an email about winning it. My sister and her little munchkin (was 5, now 6) have made one of the recipes, and enjoyed it immensely. Also they had no end of fun looking through the book at the recipes and pictures.
