## **Barajou no Kiss, Vol. 7** Aya Shouoto , Aya Shouoto

Most girls are crazy about jewelry, but not Anis Yamamoto. Not since her father gave her a rose choker as a child, claiming it was a protective amulet which would safeguard her from harm; however, if she ever took it off (a feat easier said than done!), she would be afflicted by a “punishment” of some sort. Not like it matters to her though, since the attention it attracts around school from faculty and students alike isn’t something she’s particularly fond of.

But after a certain incident causes the choker to disappear, she realizes that this punishment her father spoke of might have been a bit more than she bargained for!

## **Barajou no Kiss, Vol. 7 Details**

## From Reader Review Barajou no Kiss, Vol. 7 for online ebook

### Amanda Setasha Hall says

Really REALLY good plot throughout this entire one. I thought it was great.  
BUT THAT CLIFFHANGER. I want the next volume in my hands right now.

---

### Persephone says

The plot thickens!  
lol ok not really, but it seems we are getting closer to the "final" confrontation(?) I mean only two volumes left.

---

### Julie says

So turns out I'm on Volume 8 now, not 7. Darn this manga app telling me otherwise. I was getting so confused because goodreads said there were nine volumes and my app says there are seven and it's complete. I'm really enjoying this manga, although it's started getting predictable again. Mutsuke looks like he may be swayed from the good side and some drama with Kaede will eventually pop up. Ah well, better stick with it anyway, even just for the lovely art. Although I do enjoy the sad bits, the heartbreak seems almost melancholy.

---

### Sara says

This manga is becoming tiring...

in between the main character interrupting every explanation to say '*dumb it down for me*' one of my favorite characters going to the dark side, the *much* more interesting story about Ella's life that was barely touched on, the entire Kaede drama that we could all see coming a mile off and the same bloody ending every time things get dramatic, I seemed to have lost the will to enjoy this...

---

### Louissha Murel says

When he was tempted by his brother before, Mutsuki said he is only Anis' Black Rose, but what happened?

Our villain, Ella and Schwartz, just came out of nowhere. "Okay, I just made our villains! 🖤? Let's not add a background because it's useless. They're gonna be vanquished in the end anyway."

There are so many things that need to be explained. I still have hope in this manga. \*fingers crossed\* ?

---

## **Gabriela says**

It's going down! AH!

---

## **Judy (Geeky Reading) says**

~4/5

(Contains some spoilers.)

Things are starting to heat up in this series.

Mutsuki is tempted by his brother, because of his feelings for Anise. This leads to a surprising betrayal, and a messy one. And I will say I'm not a huge fan of Mutsuki's actions toward Anise here, he's more forceful than I would like. Although it does push Anise and Kaede to consider their feelings for each other more seriously, but that part is just starting to develop.

The fake princess is terrible, as are most of her knights. Unlike Lime and Orange, who are super sweet together in their brother-like relationship, and their friendship with Anise. I like the insight we get into Orange and Lime, an idea of who they are and where they come from.

Then there's the cliffhanger, which makes me excited for the next one. I can't wait to read it.

## **R says**

Love love love!! And EEEEEK! A cliffhanger! Next volume, next volume now!

---

## **Kristine Hansen says**

Betrays! Too many characters! And why doesn't anyone think to tell Anise who Cinderella is?

I'm still rating this too high. I know it. But I do it anyway. Why? Because I like how it's drawn. I like the characters. Even if the plot feels somewhat muddled at times.

---

## **Jennifer says**

Wow, I really enjoyed this volume and am enjoying this manga series! <3 so good! : ) wow, but left on a cliffhanger though...can't wait to read volume 8 when it comes out! : ) definitely recommend this series! : )

---

### **Nedda says**

?????..a surprisingly good plot for a reverse harem manga, with some very nice girly art.. kinda has an Ouran/Mahou Shoujo mix!

If you are here for that bishounen romance kick, then you have come to the right place. If you are here for some depth and a memorable story that makes you remember it for a long time, then go look for Fullmetal Alchemist..

---

### **Sara says**

:o YOU BAKAAAAA GRRRRRRRRRRRRRRRRRRRRRRRR

(and why do I feel I read this before? I know I didn't finished, a few years back, but this feels way familiar..... I thought I read only until the middle.....)

---

### **Lisa Kizer says**

Mutsuka, what have you done? Just when I thought you would win Anise's heart.

---

### **Nina {????s ??? ?????} says**

I really loved her Stray Love Hearts manga, and so I looked up her works, and I started reading this one, which I love just as much. I can't wait until the rest of the volumes are out, because I'm excited! Sigh. Just can't wait.

---

### **Dazz Ross says**

This volume in one meme: <http://i3.kym-cdn.com/photos/images/f...>

SO GOOD OMG YOU GUYS! I wasn't expecting Rhodecia to get more character development, and I thought that was well done. Also, I'm shipping Idel and Yako now. Their bond's just so strong I can't.

It seems as if we're also starting the final battle now, and it literally left me on the edge of my seat. The plot twist regarding Mutsuki was a time coming, but it was still very unexpected as to where it was revealed.

Can I have the next 2 volumes now? Pretty please? That cliffhanger's going to kill me.
