Champion's Destiny Tyrean Martinson

The Battle

May Be Lost

Because of Family Secrets.

With distracting attention from a prince and her mentors both in harm's way, will Clara be able to trust her team with her family secret as they race to fight the Dark Sisterhood on their terms?

Champion's Destiny is the third book in The Champion Trilogy, a Christian Fantasy series with a strong female heroine and an epic cast of allies and villains.

Clara's destiny is more complicated than she imagined.

I won a copy of this book in a Goodreads giveaway.

I am always trying to find interesting, clean books for the young readers in my family. This is one that I was happy to pass along to them. Since I had not read the previous books in this series, I found the story somewhat difficult to get into but, with some perseverance, I managed to pick up the plot line. The characters are well written and seem realistic. I have an especially soft spot for griffins so that made the story better for me. All-in-all, a nice book with a happy ending.
