Michele says

This book addresses the importance of protecting your marriage through prayer. The enemy wants to destroy marriages and the author describes areas that can be attacked if we let our guard down. I loved the author's "pinpoint prayers" and "pray big prayer starters" to really focus in on a specific way to pray for my marriage. I love using scripture in my prayers and this book gave me scriptures to use to pray specifically for my husband and our marriage.

Tom Wascoe says

Very helpful book for married couples-especially Christian married couples. Simply and effectively written with helpful examples.

Darice Jamison says

Easily read approach to a critical topic. Appreciated the Prayer starters and scripture from which to focus your prayers. Those that pray together, stay together.

Christina says

Praying scripture has transformed my prayer life in general, and this book applies that idea specific to marriage. Quick read, simple format, nothing mind-boggling, just good solid encouragement and tools to fight for your marriage and the growth of your spouse using the Word of God.
