**Mermaid Melody: Pichi Pichi Pitch, Vol. 4** Pink Hanamori , Michiko Yokote  
THE VILLAIN'S LAIR!

Lucia Nanami, a mermaid princess, has taken human form to find her fellow princesses and save the seven seas from the evil rule of a would-be emperor, the ambitious Gackto. And now Gackto has kidnapped the boy Lucia loves. A final battle is inevitable, but Lucia has found only four of the seven mermaids, and defeating Gackto requires the magic power of all seven!

The thrilling climax to the first arc of Pichi Pichi Pitch, this volume features love, adventure, and the revelation of the secret identity of . . . Hippo the penguin?!

## **From Reader Review Mermaid Melody: Pichi Pichi Pitch, Vol. 4 for online ebook**

### **Sesana says**

This volume (seems to have) brought the Gackto storyline to a close, while leaving the plot thread that I'm sure will guide much of the rest of the series dangling. Yes, my enjoyment is still basically dependent on the mermaids.

---

### **Chelsea says**

I really enjoyed reading this volume and all the twists the plot took. I am really looking forward to the next volume.

---

### **Starbubbles says**

it's high adventure on the high seas! secret brothers, devotion and loyalty, keys, identities revealed, misunderstandings, and redemption are key in this book. i loved it from frame one. the story line leaves no holes you wish miss pink would have added. just the right balance of romance and adventure to keep both sides of the story satisfyingly good.

---

### **Miss Ryoko says**

By far the best volume of the whole series so far. Though, the story "ended" here so I'm not really sure what they plan to do in the last three remaining volumes. The library doesn't have the 6th one, so we'll see how I feel after reading the 5th to decide if I finish the series or not.

Some actual, decent storyline happened in this volume and it wasn't just full of random Kaito and Lucia lovey dovey-ness. Pretty much the entire story of the series happened in this volume. Though, as usual, it was way to easy to defeat the bad guy (and this was the "boss") but whatevs.

I'll read the 5th volume but might not finish the series. We'll see.

---

### **Yoki says**

It is a nice manga and you will love the characters including Luchia (I think it is her name I read it long time ago)

---

### **Jennifer says**

Wow, I Love it <3 very close to the anime series, and I Love Mermaid Melody pichi pichi pitch <3 and Love the romance between Lucia and Kaito and the friendships between the mermaid princesses too! : ) can't wait to read vol.5 : )

---

### **Hannah says**

The best volume so far, and it leads into the second arc, which I remember preferring even if it is only half as long as the first. This volume focuses more heavily on some of the more interesting characters, like Caren, Gackto, Sara, and the Black Beauty Sisters. That's both a good and bad thing - it really highlights just how little the supposed main trio actually do, especially Lucia, the *main protagonist*. She really can't seem to do anything without help from Kaito or the other mermaids; it's always been true, but it's even more blatant in this volume, with the stakes at their highest. On the other hand, her relationship with Kaito is much sweeter than I'd remembered. I look forward to the next volume, as it introduces many of my favorite characters.

---

### **GigaBuri (PeachyFishyBooks) says**

Story: 1

Art: 4

Characters: 1.5

Total: 2.1

---

### **Bianca says**

Better, but there were too many scenes that made me think, "Yeah, that WOULD happen." I must say, for a popular children's anime I'm amused with how perverted the main characters are. This series seems like bounded fan art, and the story just caters to the desires of smitten young girls. It did get a little more intense, but only to wrap up the arc, then it went right back to the romance and cliches.

---

### **Victoria says**

Is a great book to read

---

### **Catie says**

It has weird pics not inappropriate just weird but it's really good

---

### **Celepom says**

This is the most angry I've been reading a book in a long time. "did not like it" is an UNDERSTATEMENT

---

### **Jamie says**

I thought this was the best part because all the mermaids on the team finally got together and fought Gackto with Aqua Regina. Even Sara, the evil mermaid, mermaid realized what she has done was wrong and begun to help the other mermaids out. I also really liked this part in the storyline because Kaito and Lucia become an official couple and it was really sweet. I thought that the ending and the explanation for why things were the way they are was very funny and interesting to read about!

### **Daisy says**

As posted on my blog Amartians.nl

Review for the entire series

3 out of 5 stars

Mermaid Melody is a 7 volume manga series about the 14-year old mermaid princess Lucia Nanami. Lucia Nanami is the mermaid princess of the North Pacific Ocean, sets out on land to find the boy that she had saved from a tsunami wave seven years before the beginning of the story, to whom she fell in love and had entrusted her pink pearl. She eventually finds the boy, but she can't tell him who she really is; otherwise, according to mermaid legend, she would turn into bubbles and disappear.

At the same time, a group of water demons has invaded the sea world and she must gather six other Mermaid Princesses and their pearls to bring back the legendary goddess Aqua Regina to stop them.

The story of Mermaid Melody is sadly kind of lackluster, even though I really loved the anime as a 12-year-old. The art is all over the place and from time to time downright bad. The plot is something completely else, as every chapter builds on the same boilerplate of going to the sea, encountering water demons, defeat them by singing (????) and going back to the Surface. half of the volumes felt unnecessary to the story, which is a shame because the initial potentials was there.

The characters all feel cut out of the same wood as well, especially the 3 main characters Lucia, Hannon, and Rina. they're all mermaid princesses that came to the human world because their kingdoms got destroyed and/or their pearls stolen while staying there they fall in love with a human and not being able to confess, which frustrates them a lot.

All in all Mermaid Melody had a lot of potentials but doesn't live up to it at all. even as a trip down memory lane wasn't that good. sadly, I definitely can't recommend it at all.
