The complete best-selling Rosario+Vampire series is now available in a value-priced box set! Includes 24 volumes of monstrous action, horror, fun and romance, plus an exclusive full-color mini-comic previously unreleased in the English editions.

Average human teenage boy Tsukune accidentally enrolls at a boarding school for monsters—no, not jocks and popular kids, but bona fide werewolves, witches, and unnameables out of his wildest nightmares! On the plus side, all the girls have a monster crush on him. Especially far-from-average cute vampire Moka. On the O-negative side, she also has a burning, unquenchable thirst for his blood... Now, can Tsukune and his unlikely group of friends and rivals save humanity from the evil members of monsterkind?
